josh a guy from countryside dives into city for his graduation after all he s from military atmosphere struggling to cope with college life with species of not his type for he makes friends of his mentality but he gradually surrenders himself to the idea of giving up college and to escape the horrors of assignments and projects and yet he finally falls for a girl of not his type and his entire idea about graduation takes a turn when he is stepping onto finish line of engineering marathon but what he becomes and what he does in all those four years is upto the readers to read for the novel is

contemporary light on real engineering drama

life is a growth school as we tread this journey of life there are a number of incidents that we encounter a number of people we meet and a variety of experience we go through if only we are more observant and reflective we can gain immense learning s from each one of them the way we perceive an incident and the learning we derive from it greatly influences the way we grow in life a simple thought can change our life a new learning can enhance us a rare experience can revamp our perception transformational thoughts is a compilation of articles based on the thoughts experiences and learning s of the author over the course of time from a range of contemplative thoughts to actionable thoughts the 100 independent articles found in this book will go a long way in refining your thought process and help you to look at life with a renewed perception it encompasses inspirations found not only from great men but also from a common man it has thoughts for a better future for the individuals for the society and the country as a whole

millions of stories travel around us every story has its own world and they are here to perform the obligation announced by the mighty universe and every story has its destination but sometime we sudden a strangerâ s story crosses our path we be part of his journey then some series of events happen and we discover the path which was waiting for us from ages we just say to that stranger â you are the author of my story â shourya aahna ruhi and sid are thrashed and cornered by their evil past but universe conspires to weave all these spirits together to rewrite end of their story they cross each otherâ s path to light their own conscience they sacrifice their sleep time and peace to find the truth that karma is the only way of salvation of their soul so that to dwell into mighty to awake the universe within them they stake their life for breathe of all the strugglers who dare to dream some decides to release their life so that their soul could add up cosmic energy to universe so as universe can responde more powerfully for victory of their friends they donâ t thirst for triumph but they fight to live every moment of the path which they have chosen all they have to fight with is the last hope that at the end everything will be okay this is tale of the faith in ourselves that brings universe to us and dwells all universal power into us

now following you is a clever chilling and compelling read which deals skilfully with relevant issues most notably the power social media gives to stalkers and others who intend harm jamie burchell is a digital native social media comes as naturally to her as breathing she instagrams tweets and facebook her every move then a stalker starts using social media to track her movements as his behaviour escalates so does her fear but her blog has never been more popular the fans cant get enough of reading about her stalker she is closer than ever to achieving her dream of becoming a writer should she take herself offline or should she refuse to be intimidated soon the stalker starts threatening the people she cares about but now its too late for jamie to go offline hes already following her in real life

a blunt funny field guide to making social content that actually converts you ll learn the hook proof payoff formula platform specific power moves tiktok ig youtube linkedin x global posting windows age bracket triggers ugc without legal headaches troll handling ghost roast boost and a crisis playbook for misinformation includes swipeable templates a b testing ladders and metrics that matter engaged seconds per view evf cac ltv so posts get saved shared and shopped written by an infp creative who s scaled communities across the u s and apac this book is equal parts playbook and pep talk built to spark laughs earn likes and drive real roi

some women don t live on high heels so where do they live this is another page turner by an author who has a reputation for engaging biggest elephants in the living room he is challenging us yet again not to go through life accepting various conditioning as fact conditioning starts young for some women who or what influenced how you measure your worth this book will challenge you to make conscious decisions it will challenge you to be authentic mostly it will help readers be content in their true self readers will learn the importance of taking care of themselves so that they can pour from a filled cup it will help you reconnect with your true strengths and break any limiting cultural walls you have around you when a raw spot is touched be prepared to wrestle with your inner self it is in that wrestle that some will find their freedom rather than passing through time you will know that you have lived

internet mediated communication is pervasive nowadays in an age in which many people shy away from physical settings and often rely instead on social media and messaging apps for their everyday communicative needs since pragmatics deals with communication in context and how more gets communicated than is said or typed applications of this linguistic perspective to internet communication under the umbrella label of internet pragmatics are not only welcome but necessary the volume covers straightforward applications of pragmatic phenomena to internet interactions as happens with speech acts and contextualization and internet specific kinds of communication such as the one taking place on whatsapp wechat and twitter this collection also addresses the role of emoticons and emoji in typed text dialogues and the importance of physical place in internet interactions exhibiting an interplay of online offline environments as is the case in the role of place in locative media and in broader place related communication as in migration

dazzling a novel that holds up to scrutiny a world of claustrophobic war zones virulent social media and cities collapsing upon themselves and then sets it down again transformed by the grace of storytelling siddhartha deb author of the point of return anita lives in karachi s biggest slum her mother is a maalish wali paid to massage the tired bones of rich women but anita s life will change forever when she meets her elderly neighbour a man whose shelves of books promise an escape to a different world on the other side of karachi lives monty whose father owns half the city and expects great things of him but when a beautiful and rebellious girl joins his school monty will find his life going in a very different direction sunny s father left india and went to england to give his son the opportunities he never had yet sunny doesn t fit in anywhere it s only when his charismatic cousin comes back into his life that he realises his life could hold more possibilities than he ever imagined these three lives will cross in the desert a place where life and death walk hand in hand and where their closely guarded secrets will force them to make a terrible choice
