this book is a simplified manual for cardio pulmonary resuscitation cpr

the save a life initiative has just released its newest course basic life support this manual is based on the 2015 2020 basic life

support guidelines published by the American Heart Association. The Basic Life Support BLS Provider Handbook is a comprehensive resource intended for health care professionals currently enrolled in a basic life support certification or recertification course. It serves as the primary training material for BLS certification and recertification courses. Although it is primarily intended for professionals to use during their courses, the handbook was also created to serve as daily resource material for health care professionals. Information covered in the handbook includes basic life support instruction for adults and children, AED usage, airway obstruction, and rescue breathing techniques, and more specific algorithms for BLS and more are also included within the handbook. All material included in this handbook is delivered in a manner meant to enhance learning in the most comprehensive and convenient way possible.
