now you can read and understand the koran a powerful method of ordering sorting and categorizing the koran makes it easy to read when mohammed s life is woven back into the koran meaning is restored the abridged koran is a powerful epic story the koran is very repetitive for instance the story of moses and pharaoh is told more than thirty times an abridged koran is abridged by removing the repetition you learn the full meaning since only repeated material is removed islam is a political system a culture and a religion based upon the koran sira life of mohammed and hadith the traditions the islamic trilogy series integrates the three primary sources to give the entire islamic political doctrine the treatment of non muslims the trilogy is authoritative and fact based all statements can be confirmed by the use of reference numbers the knowledge is integrated all of the primary sources are used to give the complete picture of islam s political doctrine

the attacks on 9 11 were part of a 1 400 year islamic jihad against the non islamic world since 9 11 there have been over 10 000 additional violent jihads in addition there have been thousands of soft jihads where muslims have attempted to replace western culture with that of islam the jihadists are motivated by the core principles of islam with the goal of converting killing or subjugating all non muslims unfortunately too many non muslims have reverted to a pre 9 11 mentality and do not see the necessity of an offensive war in iraq or afghanistan or of a defensive war at home non muslims are going to have to decide to fight for their cultures freedoms and values or they are going to lose them dr crandall has been teaching sociology at the college and university level for over 30 years the focus of some of his other books have been in the area of gerontology the physiological and psychological consequences of running and inuit art the attacks on 9 11 changed the focus of his research and he has spent the last seven years researching and writing this book

the koran is culturally important prophetic literature and is the foundation for the islamic faith it also forms the basis of the way of life in all muslim societies title provides a rendition of the holy koran in english for readers who would like to inform themselves about what the koran says it is a face value abridged translation that maintains the original feel of the koran in a version that is approximately a tenth of the size

is there any sound historical evidence that the prophet of islam actually existed or is the entire story of muhammad fable or fiction it is a question that few have thought or dared to ask virtually everyone muslim and non muslim alike takes for granted that the prophet of

islam lived as a prophet as well as a political and military leader in seventh century arabia but this widely accepted story begins to crumble on close examination in his blockbuster new york times bestseller the truth about muhammad historian and islam expert robert spencer revealed the often shocking contents of islamic teachings about muhammad now in this newly revised and expanded version of did muhammad exist he lays bare those teachings surprisingly shaky historical foundations this updated and enlarged version of this acclaimed book examines even more striking and compelling evidence that the story of muhammad who for so long was assumed to have lived in the full light of history could be more myth and legend than historical fact spencer meticulously examines historical records and archaeological findings pioneering new scholarship to reconstruct what we can know about muhammad the qur an and the early days of islam the evidence he presents challenges the most fundamental assumptions about islam s origins

rick austin is a teacher reserve officer and freelance journalist since 9 11 he has observed americans treating islam as a religion although it has become clear to him that it is much more because of this he knows he needs to dig deeper and he needs to do so quickly sam flynn has the answers and along with his lebanese american friends he s willing to teach rick all he needs to know in the meantime abe schahab s brother ahmed has been living in germany secretly helping u s agencies keep tabs on known and suspected terrorists a lebanese jihadist s attempt to recruit him as a terrorist endangers his life he joins his brother in the u s where his courage and training are immediately put to use as the story unfolds everyone finds themselves in tampa where lessons are learned old acquaintances are reestablished new friendships take hold romance is in the air and jihadists plot terror

the middle east can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle professor steven carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the middle east demographics of the region the influence of islam political processes shifting alliances war in the region and the need for security he also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region his goal to clarify the confusing nature of middle east affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region in a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity seventy eight maps and numerous tables make understanding complex topics easier whether you re a student educator bureaucrat or politician you ll find insights based on facts in understanding the volatile and dangerous middle east

christianity has over two billion adherents worldwide and islam has over one and a half billion adherents making them the two largest religions in the world numbering in total over half of the world s population it is generally assumed and taught that because these two religions are both monotheistic teaching that there is only one supreme god that they basically are compatible believing the same things about that one god the purpose of this study is to compare and contrast the teachings of both christianity and islam as found in their respective scriptures the bible and the quran and sunna to see exactly what they do teach and if in fact their teachings are compatible
