this study book delves into the cause of abrahams tithing to melchizedek in order to indicate the fundamental spiritual benefits of christian tithing to every individual member of a local church and its overall importance to the church of christ in general the book establishes the following

lessons concerning the tithing of abraham god had planned that abraham will tithe before the creation of the universe as the father of the christian faith god had worked in abraham to tithe to melchizedek to establish it as a unique type of giving by the church to the high priestly ministry of christ affirming the fact that abraham did not know and was not relating to gods personal nature when he was initially brought to canaan the book also establishes the following lessons the tithing of abraham was an indicator of gods work in him for the patriarch to know and to relate to his personal nature in working in abraham to tithe as an act of knowing and relating to him personally god was also establishing the fundamental principle of christian tithing that it will be by the principle of knowing and relating to god personally thus the book benchmarks the spiritual growth that occurred in the life of abraham following his tithing as the fundamental benefit of the practice of christian tithing to the individual members of a local church it shows us that christian tithing is essentially a standardized way of giving by divine establishment that the church would utilize to cultivate personal relationship with god with the goal of growth in trust love and holiness to god with its unique perspective concerning the tithing of abraham this book serves as a groundbreaking resource for the spiritual vitality of the church
