this do it yourself workshop manual has been specially written for the
owner who wishes to maintain his vehicle in first class condition and to
carry out the bulk of his own servicing and repairs considerable savings
on garage charges can be made and one can drive in safety and confidence
knowing the work has been done properly comprehensive step by step
instructions and illustrations are given on most dismantling overhauling
and assembling operations certain assemblies require the use of expensive
special tools the purchase of which would be unjustified in these cases
information is included but the reader is recommended to hand the unit to
the agent for attention throughout the manual hints and tips are included
which will be found invaluable and there is an easy to follow fault
diagnosis at the end of each chapter whilst every care has been taken to
ensure correctness of information it is obviously not possible to
guarantee complete freedom from errors or omissions or to accept
liability arising from such errors or omissions instructions may refer to
the righthand or lefthand sides of the vehicle or the components these
are the same as the righthand or lefthand of an observer standing behind
the vehicle and looking forward
