opioid epidemic the rise of uber the rapid growth of ai safety concerns over the boeing 737 the wells fargo false saving accounts scandal and plastics being dumped into the ocean several chapters feature a unique point counterpoint exercise that challenges students to argue both sides of a heated ethical issue this edition has eleven new point counterpoint exercises addressing questions like should tech giants be broken apart what is the line between free speech and dangerous disinformation has the me too movement gone too far as with previous editions the seventh edition features a complete set of ancillary materials for instructors teaching guides test banks and powerpoint presentations

dialogue and learning in mathematics education is concerned with communication in mathematics class rooms in a series of empirical studies of project work we follow students inquiry cooperation as well as students obstructions to inquiry cooperation both are considered important for a theory of learning mathematics special attention is paid to the notions of dialogue and critique a central idea is that dialogue supports critical learning of mathematics the link between dialogue and critique is developed further by including the notions of intention and reflection thus a theory of learning mathematics is developed which is resonant with critical mathematics education

solutions designed as lessons to promote better problem solving skills for college stem majors provided by wesolvethem com

it was a bold and brutal crime robbery and murder in broad daylight on the streets of south braintree massachusetts in 1920 tried for the crime and convicted two italian born laborers anarchists nicola sacco and bartolomeo vanzetti went to the electric chair in 1927 professing their innocence journalist susan tejada has spent years investigating the case sifting through diaries and police reports and interviewing descendants of major figures she discovers little known facts about sacco vanzetti and their supporters and develops a tantalizing theory about how a doomed insider may have been coerced into helping professional criminals plan the heist tejada s close up view of the case allows readers to see those involved as individual personalities she also paints a fascinating portrait of a bygone era providence gangsters and boston brahmins nighttime raids and midnight bombings and immigration unionism draft dodging and violent anarchism in the turbulent early years of the

twentieth century in many ways this is as much a cultural history as a true crime mystery or courtroom drama because the case played out against a background of domestic terrorism in a time that echoes our own we have a new appreciation of the potential connection between fear and the erosion of civil liberties and miscarriages of justice
