according to popular science as the cells in the human body constantly die and are replenished every cell in the body will be replaced with a new one within a seven year period after each seven year period human beings can literally become a new version of themselves from the inside to the outside rani puranik uses this principle to define her purpose and identity within 7 letters to my daughters each seven year period of life is marked by distinct experiences perceptions and lessons from growing up in a country foreign to her family to finding strength during a tumultuous and scarring divorce to finally understanding a greater purpose and independence in spite of cultural norms rani puranik shares lessons of life love and leadership in 7 letters to my daughters a roadmap crafted to equip not only her daughters but the daughters of the world puranik serves as a companion mentor and even daughter for readers seeking to grow through adversity move forward no matter the circumstance and define who they are and what they want she hopes to guide individuals in the right direction toward

becoming the best version of themselves as a person and establishing a legacy for the next generations to pass life's tests

racial strife, violent crime, and a growing divide on what it means to be an American influence our culture today. The prodigal project offers a fountain of hope and solutions to these long-standing problems. Kendall Qualls' personal and revealing stories demonstrate that anyone with a disadvantaged past, no matter their ethnicity, can take responsibility for their life, their family, and their community. Recounting his time growing up in poverty in NYC and a trailer park in Oklahoma to becoming a U.S. Army officer, then years later running for governor, Qualls' story demonstrates that the promise of America is available to anyone, regardless of race or social station. The prodigal project addresses uncomfortable topics such as the crisis of fatherless homes and the silence of the church in addressing this problem, as the main source of disparities in the United States. It also tackles the threat of the progressive movement's cancel culture, Black Lives Matter, and the increasingly progressive public school system, all of which have taken a stance against the traditional nuclear family, religious faith, and the foundational beliefs of America. Kendall Qualls wrote the prodigal project as a hope for American families to inspire readers to take charge of their lives, their families, and their communities. This book is a call to return to the path that so many Americans were on: the basic principles outlined in the Bible and the values that made us a great and exceptional country.

In *Portraits of White*, Frances Drost takes readers on an introspective journey through her unconventional Christmas experience. Navigating the Christmas season is a challenge so formidable that many deep down secretly yearn to bypass it altogether. Enter Frances Drost, the soulful singer-songwriter who dared to defy convention and skip Christmas entirely. Through intimate revelations from a songwriter's heart, she reveals the profound power of taking a second look, a power that unlocks wisdom, solves emotional riddles, and resonates with others who have endured the frosty chill of the holiday season. As Frances delves into the depths of her introspection and takes a break from the popular holiday, she encounters unexpected twists, revelatory moments, and divine guidance that shape her path like footprints in freshly fallen snow. The pages and stories come alive with her personal anecdotes interwoven with the very songs that emerged from her explorations, creating an immersive experience that tugs at the soul. Join Frances on her transformative quest as she unravels the enigmatic melancholy that often shrouds the holidays. This book is a sanctuary of solace and understanding for those who have felt the weight of holiday emotions.

This newly revised and updated edition of the Wallace Wattles classic *The Science of Getting Rich* is full of great ideas, perspectives, and thoughts for readers who are wanting to create a better life for themselves and those around them.

a tale of two dogs is about two dogs of different breeds and from different countries whose god orchestrated encounter turns into the most amazing and inspiring friendship mochi is a shiba inu born in the far east region of japan she is a hunting dog and an explorer who is quirky bold and very independent murphy is a pug born in the silk road region of china mochi teaches murphy gentleness patience and self control while murphy shows mochi that faithfulness kindness and goodness go a long way in this world their special friendship shows young children how their differences can make them stronger god made everyone special and unique but people also have more in common than they think a tale of two dogs is a children s book suitable for kids aged three to five that celebrates people s differences as well as their likenesses it encourages kids to spread kindness like confetti and be good to others and themselves the fruits of the spirit will be reinforced for these young readers and their parents the confetti will be in the shape of tiny crosses spelling dog backwards is not a coincidence but a god wink

learn how reestablishing bonds of compassion and empathy for others leads to an empowered life filled with satisfaction and contentment the pace of life is steadily increasing the list of daily tasks that need to be completed continues to grow longer and the pressure of time slipping away makes people stressed and anxious people s perspectives shift away from thinking about others creating distance between them and the rest of the world this distance causes people to lose touch with the basic human values that everyone shares and that assist in developing meaning and connection in their lives integrity kindness compassion and love are gifts that go dormant when people cease to use their power to cultivate and nurture them the outcome is that they stop treating one another with respect love dignity and acceptance and instead live their lives sitting in judgment being fearful and giving up their peace live your humanity teaches readers how to overcome these obstacles by detailing how to activate the human values that they already have when they do this they experience a life free of fear and judgment and instead realize a life of meaning and connection

do nothing shares a strong message of how to accomplish something greater for jesus most religions proudly and regularly teach what their followers must do to reap spiritual rewards and climb the peaks of enlightenment but then there s jesus rather than tell his followers what they could do christ taught believers that they could do nothing apart from him john 15 5 likewise

the son of god insisted that he could do nothing apart from his father in heaven john 5 19 unfortunately this is a message that has been largely forgotten among even the most well intentioned christians and trendiest of churches maybe it s a message that readers have never even heard in do nothing readers learn how to peacefully rest better discern and calmly walk forward in the completed work of jesus finally they can escape the burdensome mantras of today s culture which indoctrinate everyone everywhere to work hard hustle earn it make it happen try harder and do something so much doing jesus offers a much easier way in fact he is the way and he accomplishes everything he begins
