for the first time in one place roger m sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented he has also included many of the best of lists by more than fifty of the most important contributors to the genre mr sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected several of the best of lists appear here for the first time in book form several others have been unavailable for a number of years of special note are anthony boucher s best picks for the year boucher one of the major mystery reviewers of all time reviewed for the san francisco chronicle

ellery queen mystery magazine and the new york times from these resources mr sobin created boucher s best and important lists to consider lists that provide insight into important writing in the field from 1942 through boucher s death in 1968 this is a great resource for all mystery readers and collectors winner of the 2008 macavity awards for best mystery nonfiction

outlining the key developments of the disability hate crime policy agenda this book analyses the contributions of activists politicians policy makers and criminal justice system practitioners and recommends progressive policy changes

a good introduction to crime types and criminology to provide students with a grounding to the start of their studies

this beautifully written and elegantly plotted thriller from the edgar award winning author of the chatham school affair is one of his best ever the globe and mail toronto twenty years ago ray campbell was a well intentioned aid worker dedicated to improving conditions in lubanda a newly independent african country now a cautious risk management consultant he is forced to reconsider that year of living dangerously when an old friend is found murdered in a new york alley signs suggest that this recent tragedy is rooted in a more distant one that of martine aubert the only woman ray ever loved whose fate he d sealed with a grievous mistake in rupala twenty years before i had rolled the dice for a woman who was not even present at the table and how on the outcome of that toss a braver and more knowing heart than mine had been forfeited martine aubert was a white native lubandan farmer whose dream for her homeland put her in conflict with fearsome men intent on its so called development as ray returns to lubanda to investigate the cause of his friend s murder he also revisits the passion he d once felt for martine and vows in her memory to rectify his wrongs a dancer in the dust is a gripping story of ill fated love one man s love for an extraordinary woman and one woman s love for her troubled country not since john le carré s the mission song have i seen such a loving and sorrowful portrait of modern africa the news observer raleigh

engages with the life and work of larry alexander to explore puzzles and paradoxes in legal and moral theory

the concept of moral panic has received considerable scholarly attention but as yet little attention has been accorded to panics over children and youth this is the first book to examine this important and controversial social issue by employing a rigorous intellectual framework to explore the cultural construction of youth through the dissemination of moral panics it is accessible in manner and makes use of the latest contemporary research by addressing some of the pressing recent concerns relating to children and youth including cyber related panics child abuse and pornography education and crime a truly international collection this volume features new global research focusing on the united kingdom australia canada south africa and france as well as the united states genuinely multidisciplinary in approach it will appeal to researchers and students across the social sciences and humanities from sociology and social theory to media education anthropology criminology geography and history

three librarians from scottsdale arizona provide library staff with an introduction to the mystery genre and offer tips and techniques for providing advice to mystery readers in the library they include some of their own bibliographies but refer readers elsewhere for fuller ones they also include a brief history of the genre to pass on to readers new to it

the oxford handbook of offender decision making provides high quality reviews of the main paradigms in offender decision making such as rational choice theory and dual process theory it contains up to date reviews of empirical research on decision making in a wide range of decision types including not only criminal initiation and desistance but also choice of locations times targets victims methods as well as a large variety of crimes the handbook also provides comprehensive in depth treatments of the major methods that can be used to study offender decision making

a unique two volume study that examines female crime and the women who commit it the two volume women criminals an encyclopedia of people and issues addresses both key topics and key figures in women s crime the first volume provides topical essays about areas critical to the understanding of female criminals such as the definition of women s crime explanations of women s criminality ethnic and age diversity in female criminals and responses of the criminal justice system the second volume comprises biographical entries profiling women who are obviously criminals such as aileen wuornos and myra hindley and also women who were victims of circumstance unjust laws or narrowly applied definitions of crime such as rosa parks harriet tubman and sophie scholl in addition to highlighting the breadth of women s criminality these portraits provide a holistic multifaceted understanding of the dynamics of women s crime and why it occurs connecting the individual stories to the larger social scientific perspectives care has been taken to include the women s own voices and perspectives where possible and to address the intentions and reasoning of the system that responded to their criminality

the criminal justice system an introduction fifth edition incorporates the latest developments in the field while retaining the basic organization of previous editions which made this textbook so popular exploring the police prosecutors courts and corrections including probation and parole the book moves chronologically through the different agencies in the order in which they are usually encountered when an individual goes through the criminal justice process new in the fifth edition a complete updating of charts and statistics to reflect the changes the fbi has made to the unified crime reports system expanded material on the history of law enforcement additional information on terrorism homeland security and its effect on the police new approaches to policing such as problem oriented policing and intelligence led policing cyber crime identity theft accreditation and new approaches to crime analysis new information on prosecution standards community prosecution and prosecutorial abuse new emphasis on the concept of jurisdiction and the inter relation between the courts functions and the other branches of the criminal justice system an examination of the dilemma for the courts caused by the intersection of politics funding media and technology new discussions on prisoner radicalization pedagogical features each chapter begins with an outline and a statement of purpose to help students understand exactly what they are supposed to master and why illustrations to assist in the clarification and further development of topics in the text each chapter ends with a summary a list of key terms and a series of discussion questions to stimulate thought appendices with the united states constitution a glossary of criminal justice terminology and websites useful in gaining knowledge of the criminal justice system access to a free computerized learning course based on the book

this book provides a record of the speeches and discussion of the conference that was held to review major standards and recommendations of the national advisory commission on criminal justice standards and goals this book is a companion to the six volumes of the commission report but it is not a statement of the commission itself this conference enabled criminal justice practitioners from across the nation to gain an overview of the commission s work and an understanding of the intent of the commission in developing its standards and goals other recent commissions have studied the causes and debilitating effects of crime in our society this effort has sought to expand their work and build upon it developing a clear statement of priorities goals and standards to help set a national strategy to reduce crime through the timely and equitable administration of justice the protection of life liberty and property and the efficient mobilization

of resources the commission hopes that its standards and recommendations will influence the shape of the criminal justice system in the nation for many years to come and it believes that adoption of those standards and recommendations will contribute to a measurable reduction of the amount of crime in america

in 1990 when michael gottfredson and travis hirschi published a general theory of crime now often referred to as self control theory it quickly became among the most discussed and researched perspectives in criminology in modern control theory and the limits of criminal justice gottfredson and hirschi develop and extend the theory of self control advanced in their classic work focusing on the methodology of testing crime theory and measuring behavioral research on crime and delinquency they critically review the evidence about self control theory gottfredson and hirschi further discuss evidence about the positive consequences of higher levels of self control from education economics and public health that along with evidence from delinquency and crime show substantial support for the theory of self control illustrating the theory through predictions about policing incarceration juvenile justice and the connection of immigration policy to crime this book connects self control theory to the structure and function of the criminal justice system then applies the theory to pressing issues of public policy about delinquency and crime
