social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all students in particular are likely to turn to the web to find quick background information on theorists and theories however most web based information is inaccurate and or lacks depth students and professionals need a

source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will in response sage reference plans to publish the two volume theory in social and cultural anthropology an encyclopedia features benefits two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage to ease navigation between and among related entries a reader s guide groups entries thematically and each entry is followed by cross references in the electronic version the reader s guide combines with the cross references and a detailed index to provide robust search and browse capabilities an appendix with a chronology of anthropology theory allows students to easily chart directions and trends in thought and theory from early times to the present suggestions for further reading at the end of each entry and a master bibliography at the end guide readers to sources for more detailed research and discussion

effective communication with the african society in the field of missions church planting and social development work has been and continues to be a great challenge particularly to people from western cultural and language orientation africans are a we rather than i and a depended on rather than independent of society the worldview of a traditional african in terms of society relationships and communication is communal certainly the african perception of communalism affects how they communicate with the people of different cultural orientation africa has several cultures and people differ in their communication depending on their cultural orientation however there are universal african cultures that act as a framework for understanding key aspects of communication with africans for successful missions church planting and social development work this book therefore provides a strategy of understanding communication with the african society the discussions in this book provide readers with different cultural orientations unique perception of the african society as s he may be planning to communicate with the african society for missions church planting and social development work even doing humanitarian ministry in african society although literacy levels have improved tremendously in most african countries most of africa is not a reading society it is imperative to understand that most africans still communicate orally and are not time conscious hence effective communication in african societies ought to be based on storytelling rather than literature distribution although this is in transition in fact africans are oratory and good listeners thus this book provides an understanding to people of different cultural orientations when they plan to communicate with the people in africa
