how christianity grew from a dozen disciples to a worldwide movement at the beginning of the first century a teacher named jesus of nazareth shook roman occupied israel with his preaching and teaching when several years later the romans crucified jesus and sealed him in a tomb his disciples were crushed and confused two thousand years later more than two billion followers of jesus can be found around the globe justin gatlin tells the story of how that happened from the miraculous resurrection of jesus to the spread of christianity throughout africa and asia in the twentieth and twenty first centuries for each era covered in a brief walk through christian history justin shows how christians from that time period responded to christ s call to spread the gospel message described and defined what it means to be a follower of christ taught and disciplined people who joined the church it is an amazing story one in which you can see the hand of god in the growth and expansion of the church

according to roy every christian is called to be a disciple and every disciple is called to be a fisher not just a member this discipling volume is a must read for every believer practical life

reflections in communication is a response and guide to the need for productive and effective communication and is designed for readers who have had little or no formal instruction in the field of speech communication dealing with cultural critical and contextual issues the text provides a comprehensive coverage with an outstanding collection of chapters to develop knowledge and skills this book uses an array of resources for communicating effectively in democratic societies an added

emphasis is the utilization of interdisciplinary approaches in dealing with principles concepts activities and theories of communication with research evidence based on the author s background as a communication generalist this perceptive volume has broken ground because it applies communication study to a wide variety of situations such as self concept perception listening interpersonal interviewing cultural small group speaking to inform and persuade and addressing freedom and responsibility issues in democratic societies

to live meaningfully in the present and to plan wisely for the future means building on the past this kind of understanding is important when it comes to questions concerning both faith and culture in the development of the western world there has been a dynamic relationship between the church and civilization in general this interplay has produced a rich heritage and foundations affecting governments economics family life education the arts literature science the practice of religion and many other areas the church has played a major role and cannot be brushed aside as secondary or irrelevant to our present lives it is especially important that followers of christ know the church s history today there is neglect almost disdain for history this is sad because history really is about us there is a common nature shared by people in every age who face over and over the same issues opportunities problems and the same mortality in our ancestors we see ourselves they are there for us to learn from to teach us lessons that help keep us from the same mistakes and inspire us to strive for the good and the great the past is more than just names events and dates it is filled with actual people with real lives possessed of important thoughts and ideas that should be carried into the present this book claims that knowledge of these people and past events is necessary if we are to know ourselves maintain our sanity and find our way

misinterpretation and reading the scriptural text out of context are the

major reasons christianity sees at least two hundred denominations in the united states alone the supersessionism theory takes paul s letters to the ephesians and romans out of context to support replacement theology in paul and the replacement theology israel covenants author rev dr patricia mcnaul shares her biblical studies research into the components of paul s life his church in ephesus he led for three years and the fallacy of the supersessionism replacement theory she offers a new perspective to who paul is an understanding of the jewish methods of interpreting the biblical text especially as applied to how to interpret paul s letter and on how israel and god s covenants are connected to his election of the chosen ones

it s about time that someone wrote church history that tells about people not just about eras and ages church history in plain language taps the roots of our christian family tree it combines authoritative research with a captivating style to bring our heritage home to us
