studies of gender in african christianity have usually focused on women this book draws attention to men and constructions of masculinity particularly important in light of the hiv epidemic which has given rise to a critical investigation of dominant forms of masculinity these are often associated with the spread of hiv gender based violence and oppression of women against this background christian theologians and local churches in africa seek to change men and transform masculinities exploring the complexity and ambiguity of religious gender discourses in contemporary african contexts this book critically examines the ways in which some progressive african theologians and a catholic parish and a pentecostal church in zambia work on a transformation of masculinities

what does it take to make real change toward sustainability in international trade idh and its partners have spent the last 10 years learning the art of collaborative transformation accumulating tacit knowledge on what works and what doesn't to make change within the complexity of international trade this book distills their insights presenting 5 key dimensions that are critical for stakeholders to attend to while working toward sustainability the relational dimension involves building and convening different stakeholders into strong and effective coalitions through the discursive dimension coalitions must forge a framework for a common future out of diverse interests and concerns collaborative transformation also involves an institutional dimension as a variety of formal and informal structures lend critical support to the coalition's efforts and those involved must continually learn by critically inquiring into their ongoing work together this is the reflective dimension the fifth dimension concerns implementation change only happens when tangible shifts are happening at many different levels in the field along the value chain in business practices and in policy to break down this complexity and to make it concrete idh gives examples from their partnerships involving a wide range of industries from cotton to tea to cocoa they show that collaborative transformations are not only possible they hold the key to our shared future

no other talent process has been the subject of such great debate and emotion as performance management pm for decades different strategies have been tried to improve pm processes yielding an endless cycle of reform to capture the next flavor of the day pm trend the past five years however have brought novel thinking

that is different than past trends companies are reducing their formal processes driving performance based cultures and embedding effective pm behavior into daily work rather than relying on annual reviews to drive these through case studies provided from leading organizations this book illustrates the range of pm processes that companies are using today these show a shift away from adopting someone else s best practice and instead companies are designing bespoke pm processes that fit their specific strategy climate and needs leading pm thought leaders offer their views about the state of pm today what we ve learned and where we need to focus future efforts including provocative new research that shows what matters most in driving high performance this book is as a call to action for talent management professionals to go beyond traditional best practice and provide thought leadership in designing pm processes and systems that will enhance both individual and organizational performance

in the ten years after president clinton made good on his promise to end welfare as we know it by signing the reform act of 1996 the number of families on welfare dropped by over three million this hotly contested legislation has fueled countless hyperbolic arguments from both sides of the political spectrum rather than a clearheaded examination of the actual results of the reform robert cherry steps into the fray with a story that differs sharply from both conservative and liberal critiques he portrays the women who left welfare as success stories rather than victims and stresses the many positive lessons of the policy initiatives that accompanied the reform without downplaying the problems it created the result is an eye opening look at the ground level repercussions of welfare policy changes developments that have been overshadowed by partisan politics for too long anchored by solid economic research and policy background welfare transformed comes alive with revealing interviews of key members of the clinton administration directors and staff at welfare to work programs and community colleges and

most importantly welfare leavers themselves cherry carefully explains the factors racial social economic generational that spurred and shaped the reform and moves past partisan rhetoric in his review of its effects instead he pays attention to concrete data and real people s experiences that combine to provide a full account of the legislation s aftermath armed with this new view cherry offers a range of strong suggestions for transforming successful welfare policies into universal family policies from strengthening federal economic supports for working families to improving our community colleges a refreshing take on a lightning rod subject this book is certain to foment heated discussions among all who read it

the creative reflective practitioner explores research and practice through the eyes of people with a wholehearted commitment to creative work it reveals what it means to be a reflective creative practitioner whether working alone in collaboration with others with digital technology or doing research and what we can learn from listening and observing closely it gives the reader new insights into the fascinating challenge that having a reflective creative mindset can bring creative reflective practice is seen through practitioner ideas and works which have informed the writing at every level supported by research studies and historical accounts the practitioners featured in this book represent a broad spectrum of interdisciplinary creative activities producing works in film music drama dance and interactive installations their work is innovative full of new ideas and exciting to experience offering engagement and challenge for audiences and participants alike practitioner interviews give a direct sense of how they see creative practice from the inside the ways in which these different situations of practice stimulate and facilitate reflection in practice and how we can learn from this are described variations of reflective practice are discussed that extend the original concepts proposed by donald schön and a contemporary dimension is added through the role of the digital in creative reflective practice as a tool mediator medium and partner this book is relevant to people who wish to understand creativity and reflection in practice and how to learn from the practitioners themselves this includes researchers in any discipline as well as students arts professionals and practitioners such as artists curators designers musicians performers producers and technologists

challenging and innovative in its approach this book explores leadership development on many different levels in an era of internationalization when societies and organizations are becoming increasingly multicultural and undergoing many changes the focus is on the correlation of culture leadership and organization in transition

soul cultivation is his mission no matter what the difficulties he will always go forward on this continent if human beings want to be strong they can only achieve it by cultivating their own souls some people are able to reach the seventh level or above which is very powerful li ye is a rare teenager who has reached the tenth level on the continent when he reaches the tenth level his soul can combine with the beast s souls to form a stronger soul however when he thought he would be a leader the elders of the family took advantage of his father s absence taking his force away from him and gave it to another more favored boy in order to survive he had to pretend to be foolish with hate after three years his father finally returned it was time for his revenge with anger full of his heart those who had hurt him had

to accept the cruelest punishment in the future he will be even stronger about the author shao guang xia jiu an outstanding online novelist his novel war soul transformation received a high score on the chinese literature website and its ups and downs plot was loved by many readers
