where we are and now appear to be losing ground staying abreast of the various sports has alerted me to the declination in numbers and deterioration of african americans in the sports arena this declination is a documented fact and must be expressed in bold terms my primary purpose in writing this book ebony legends in sports is that it will certainly be a wake up call for action in the total african american community my hope is that it will inspire the youth of this and future generations to return to the glory of the games that they will become members of athletic programs in mass in their schools follow through with their endeavors and persevere as our legends did
