navigating the mortgage modification mess a cautionary tale takes the reader on a serious yet sarcastically humorous trip through federal and internal bank programs for modifying home mortgages it represents a 3 year timeline of the authors attempt to save part of the american dream of home ownership the process involved submitting and often resubmitting a large amount of paperwork to answer underwriter questions and justify a hardship request for mortgage modification during the process the author saved notes from phone conversations and copies of correspondence from financial institutions this cautionary tale is a compilation of these communications that underlines the gross inefficiencies inherent to hamp hafa and other mortgage modification programs with the current housing market there are other people facing foreclosure and the need to modify existing mortgages the author hopes the experiences described in this cautionary tale will help others avoid pitfalls as they try to navigate through the many available mortgage modification programs

this book focuses on the federalization of corporate governance in the united states from both historical and contemporary perspectives at the outset it is clear that state corporate law remains vital with respect to the propriety of substantive fiduciary conduct as well as setting forth the relations among and between the corporation its fiduciaries its shareholders and its other stakeholders accordingly the ensuing chapters focus on key aspects of state corporate law to illustrate the continued importance of state company law impacting corporate governance

this book continues the saga of how the author dealt with the mortgage crisis by working with the banks real estate brokers and a bankruptcy attorney while meeting with other middle income homeowners in trouble and with activist groups fighting foreclosures it describes her experiences attending a foreclosure prevention workshop seeking a loan modification and going to a foreclosure auction it concludes with what the author learned from navigating the system selling her home renting in san francisco and turning her life around to gain success again the book has gained growing support from individuals and groups active in this

arena
