in 1997 the united kingdom returned control of hong kong to china ending the city's status as one of the last remnants of the british empire and initiating a new phase for it as both a modern city and a hub for global migrations hong kong is a tour of the city's postcolonial urban landscape innovatively told through fieldwork and photography caroline knowles and douglas harper's point of entry into hong kong is the unusual position of the british expatriates who chose to remain in the city after the transition now a relatively insignificant presence british migrants in hong kong have become intimately connected with another small minority group there immigrants from southeast asia the lives journeys and stories of these two groups bring to life a place where the past continues to resonate for all its residents even as the city hurtles forward into a future marked by transience and transition by skillfully blending ethnographic and visual approaches hong kong offers a fascinating guide to a city that is at once unique in its recent history and exemplary of our globalized present

hong kong has become a by word for all that is modern and sparkling in asia today yet tourist brochures still play with the old cliché of hong kong as a place where east meets west images of so called traditional china junks sailing victoria harbour or old women praying to gods in smoky temples mingle with those portraying hong kong as a consumer and business paradise this collection of essays attempts to transcend the old polarities it looks at modern hong kong in all its splendour and

diversity in the run up to its re absorption into greater china in mid 97 through the mediums of film food architecture rumours and slang it explores the question of a distinct modern chinese identity in hong kong and even when it explores the traditional stamping ground of the older anthropology in the new territories it finds a dramatically changed context in particular for women this collection presents an intriguing insight into the process of transition from tradition to modernity in this modern chinese metropolis

this comprehensive book examines the state of research on policing in hong kong it surveys the history and development of the field of police studies in hong kong and examines the various methods problems and prospects in the field

approaches to language culture and cognition aims to bring cognitive linguistics and linguistic anthropology closer together calling for further investigations of language and culture from cognitively informed perspectives against the backdrop of the current trend of linguistic anthropology

a straightforward text for beginners on the law of contract in hong kong

provides an exemplary model of community based research on sexual and erotic attitudes and practices of gay men and middle aged women in hong kong over a

span of over fifteen years

this book provides a significant contribution to the discussions about the future of the system the evidence driven content draws from the deep expertise and experience of a wide spectrum of contributors who represent virtually all relevant areas of the health system

the idea of national identity is an ambiguous one for hong kong returned to the national embrace of china on 1 july 1997 after 150 years as a british colony the concept of national identity and what it means to belong to a nation is a matter of great tension and contestation in hong kong written by three academic specialists on hong kong cultural identity social history and mass media this book explores the processes through which the people of hong kong are learning to belong to a nation by examining their relationship with the chinese nation and state in the recent past present and future it considers the complex meanings of and debates over national identity in hong kong over the past fifty years and especially during the last decade following hong kong s return to china it also places these arguments within a larger global perspective to ask what hong kong can teach us about national identity and its potential transformations multidisciplinary in its approach hong kong and china explores national identity in terms of theory mass media survey data ethnography and history and will appeal to students and scholars of chinese history cultural studies and nationalism

a gripping history of china s deteriorating relationship with hong kong and its implications for the rest of the world for 150 years as a british colony hong kong was a beacon of prosperity where people money and technology flowed freely and residents enjoyed many civil liberties in preparation for handing the territory over to china in 1997 deng xiaoping promised that it would remain highly autonomous for fifty years an international treaty established a special administrative region sar with a far freer political system than that of communist china one with its own currency and government administration a common law legal system and freedoms of press speech and religion but as the halfway mark of the sar s lifespan approaches in 2022 it is clear that china has not kept its word universal suffrage and free elections have not been instituted harassment and brutality have become normalized and activists are being jailed en masse to make matters worse a national security law that further crimps hong kong s freedoms has recently been decreed in beijing this tragic backslide has dire worldwide implications as china continues to expand

its global influence hong kong serves as a chilling preview of how dissenters could be treated in regions that fall under the emerging superpower s control today hong kong tomorrow the world tells the complete story of how a city once famed for protests so peaceful that toddlers joined grandparents in millions strong rallies became a place where police have fired more than 10 000 rounds of tear gas rubber bullets and even live ammunition at their neighbors while pro government hooligans attack demonstrators in the streets a hong kong resident from 1992 to 2021 author mark l clifford has witnessed this transformation firsthand as a celebrated publisher and journalist he has unrivaled access to the full range of the city s society from student protestors and political prisoners to aristocrats and senior government officials a powerful and dramatic mix of history and on the ground reporting this book is the definitive account of one of the most important geopolitical standoffs of our time

family law for the hong kong sar gives a succinct clear and comprehensive account of modern family law and will be useful to both students and practitioners this book incorporates recent developments in family law such as the marriage and children miscellaneous amendments ordinance 1997 law reform miscellaneous provisions and minor amendments ordinance 1997 and the child abduction and custody ordinance 1997 contents include the old style customary marriage concubinage modern marriage and christian marriage nullity and divorce legitimacy and illegitimacy parentage parental rights and authority the welfare principle custody on divorce adoption wardship child abduction maintenance during marriage financial provision and property on divorce and domestic violence contents include the old style customary marriage concubinage modern marriage and christian marriage nullity and divorce legitimacy and illegitimacy parentage parental rights and authority the welfare principle custody on divorce adoption wardship child abduction maintenance during marriage financial provision and property on divorce and domestic violence

this book aims to examine the characteristics roles and social values of public spaces in the globalized territory of hong kong choi focuses on the usage of public space by marginalised communities particularly the foreign domestic helpers of hong kong by examining their weekly social and political activities across a range of public spaces in the city choi addresses the influence of the marginalized on the wider community and built environment of this advanced capitalist society

in the past century tens of millions of women and girls have disappeared in china hong kong and taiwan there are many reasons the women variously were sold as foreign spouses imprisoned for their political beliefs taken to night clubs or massage parlors to work as escorts provided as comfort women to soldiers or murdered by female corpse dealers and sold as ghost brides to families looking to give their deceased sons wives in the afterlife the youngest girls fell victim to infanticide the tragic result of a one child law in a male dominated society as a result of the gender imbalance these disappearances created countless young males now suffer from the marriage squeeze remaining single without families of their own this sociological study explores the institutional factors develops a typology for these populations and lays a foundation for the examination of lost populations in the future

the volume offers a diversity of facets of jewry between mumbai and manila while some of its papers make references to the important factor how politics and religions are often intertwined other papers are arranged along the lines of area studies from south asia via southeast asia to china and the far east even if these articles at first glance concentrate on local minority communities they always take into account that the jewish communities in asia take part in interactions of religions which can help to foster mutual understanding the studies presented at the conference refer to an extended approach always bringing jewish studies into international links and crossing borders thus opening comparative perspectives to broaden our knowledge of jewish history so we have to reconsider aspects of jewish studies for the future which would include asian and religious studies in a qualitative comparative and interdisciplinary way and thus can shift away from the euro american centric point of view regarding jewish studies
