in this book leading terrorism scholars and defence professionals discuss the impact of networks on conflict and war

the eto is seen by many as the major theater of world war ii with more infantry regiments serving there than any other this title follows one soldier joseph as he is drafted in february 1941 trains with the 22d infantry in the united states and then ships to england in january 1944 on d day he lands on utah beach and in the following months fights through france belgium and into germany the problems the common soldier faced between june 1944 and may 1945 are dealt with in particular in this authoritative and moving book

this book describes the organization lists the units and illustrates the uniforms and equipment of the four canadian divisions which earned an elite reputation on the western front in 1915 18 canada s 600 000 troops of whom more than 66

000 died and nearly 150 000 were wounded represented an extraordinary contribution to the british empire s struggle on grim battlefields from the ypres salient to the somme and from their stunning victory at vimy ridge to the final triumphant hundred days advance of autumn 1918 canada s soldiers proved themselves to be a remarkable army in their own right founding a national tradition featuring illustrations throughout this volume is ideal for any enthusiast of world war i or canadian military history

the author s experience with the medical civic action program and the corruption and evil aspects of the war operation phoenix drugs my lai and a new theory on the assassination of john f kennedy transcripts of vet s rap sessions heart breaking and heart warming poetry ptsd and the decline of morality in american society since that war

mustard gas is typically associated with the horrors of world war i battlefields and trenches where chemical weapons were responsible for tens of thousands of deaths few realize however that mustard gas had a resurgence during the second world war when its uses and effects were widespread and insidious toxic exposures tells the shocking story of how the united states and its allies intentionally subjected thousands of their own servicemen to poison gas as part of their preparation for chemical warfare in addition it reveals the racialized dimension of these mustard gas experiments as scientists tested whether the effects of toxic exposure might vary between asian hispanic black and white americans drawing from once classified american and canadian government records military reports scientists papers and veterans testimony historian susan l smith explores not only the human cost of this research but also the environmental degradation caused by ocean dumping of unwanted mustard gas as she assesses the poisonous legacy of these chemical warfare experiments smith also considers their surprising impact on the origins of chemotherapy as cancer treatment and the development of veterans rights movements toxic exposures thus traces the scars left when the interests of national security and scientific curiosity battled with medical ethics and human rights

a fully illustrated account of the chases battles tactics and organization of the railroad armies of the american civil war the american civil war was the world s first full blown railroad war the well developed network in the north was of great importance in serving the union armies logistic needs over long distances and the sparser resources of the south were proportionately even more important both sides invested great efforts in raiding and wrecking enemy railroads and defending and repairing their own and battles often revolved around strategic rail junctions robert hodge reveals the thrilling chases and pitched battles that made the railroad so dangerous and resulted in a surprisingly high casualty rate he describes the equipment and tactics used by both sides and the vital supporting elements maintenance works telegraph lines fuel and water supplies as well as garrisoned blockhouses to protect key points full colour illustrations bring the fast paced action to life in this fascinating read a must have volume for rail and civil war enthusiasts
