a 1 new york times bestselling author and leadership expert answers questions from his readers about what it takes to be in charge and make a difference john maxwell america s

1 leadership authority has mastered the art of asking questions using them to learn and grow connect with people challenge himself improve his team and develop better ideas questions have literally changed maxwell's life in good leaders ask great questions he shows how they can change yours teaching why questions are so important what questions you should ask yourself as a leader and what questions you should be asking your team maxwell also opened the floodgates and invited people from around the world to ask him any leadership question he answers seventy of them the best of the best including what are the top skills required to lead people through difficult times how do i get started in leadership how do i motivate an unmotivated person how can i succeed working under poor leadership when is the right time for a successful leader to move on to a new position how do you move people into your inner circle no matter whether you are a seasoned leader at the top of your game or a newcomer wanting to take the first steps into leadership this book will change the way you look at questions and improve your leadership life

aspiring leaders are hungry to learn all that they can about how to be a more effective leader and certainly there are tools and best practices young leaders should know and add to their toolkit but as steve mostyn one of the world's leading innovators in executive leadership has learned over the past decades of teaching this cohort two equally useful activities for the aspiring leader are reflection and experimentation in his new book why great leaders ask great questions mostyn has crafted an elegant collection of the seven provocative questions aspiring leaders should ask themselves in order to spur that reflection and experimentation these are some of the most important questions mostyn poses to each cohort of the oxford executive leadership program's students honed by the past answers and engagement of thousands of students the book is simple in conception profound in execution in seven accessible chapters with exercises research and examples the reader will engage with these questions how do i reflect how do i spend my time where does my power come from how do i grow my network how do i make change happen around here how do i manage my energy how do i grow more leaders inspired in part by mostyn's work on the oxford executive leadership programme an accelerated international leadership development program with over 5 000 alumni around the world and in part by his numerous workshop sessions where he challenges and supports leaders through his unique questions the premise of the book is well tested with aspiring and practicing leaders and is proven to spark both reflection and growth these seven questions are drawn from the author's deep experience with the needs of rising young executives readers will engage with provocative exercises highly accessible overviews of applicable research and examples from fellow mid career executives

the business leadership expert and author of chess not checkers teaches you how to cultivate leadership for your growing business you don't need to hope that leaders emerge from the ranks of your organization or that search firms can find the leaders you need in a timely fashion hope is not a strategy in leaders made here mark miller teaches you how to build an organizational culture that will ensure your leadership pipeline is full and flowing he offers clear proven and replicable strategies for nurturing leaders throughout the organization from the front lines to the executive ranks to bring his ideas to life miller uses the story of blake a new ceo and charles and old friend and colleague as they search for the best practices from around the world to ensure a continuous supply of their most precious asset leaders blake and his team then translate their findings into a practical plan that any organization can use to create a leadership culture sustained competitive advantage and long term success

in every period of human history god has scouted for young people of specific character traits whom he will work train and discipline to execute specific leadership functions under

his supervision he will patiently check in obscure villages and homes until he finds you and gets your response to be trained in the school of hard knocks building on the stories of great leaders in the bible from ordinary people to great leaders is designed to assist you in developing the mindset to grow from ordinary to great god took moses from egyptian palace and sent him to sheep school in midian david went from sheep school to saul's palace god guided them in their training and preparation and when he saw that they were ready he placed them in leadership positions to develop a fledgling organization into a great nation as someone who is a potential or present leader you must focus on what you and your organization can be the best at doing and focus on what you must do to accomplish your goals the god given wisdom of these leaders can help you get there this guide seeks to help you develop your leadership skills and grow yourself and your organization by using biblical models for contemporary leadership issues

successful leadership is about more than just directing tasks it's about motivating guiding and growing the people you lead unlock leadership secrets for strong teams explores the key principles of effective leadership that empower you to build strong teams and inspire individuals to reach their full potential in this book you will learn how to identify and nurture the unique strengths of each team member provide constructive feedback and create an environment where people feel motivated and valued with actionable strategies for team building conflict resolution and growth this book will help you unlock the leadership secrets that will drive your team's success

understand what sets great leaders apart by learning the five qualities of leadership character from the international bestselling coauthor of the secret certainly leaders need people skills execution skills a deep knowledge of industry trends the ability to articulate a vision and more they must be competent but that's just the tip of the iceberg what's below the waterline what's deep inside the best leaders that makes them different mark miller contends it is their leadership character in his latest enlightening and entertaining business fable he describes the five unique character traits exhibited by exceptional leaders and how to cultivate them the heart of leadership begins with young and ambitious blake brown being passed over for a desperately wanted promotion despite an outstanding individual performance confused and frustrated he turns to his former mentor who sends him on a quest to meet with five of his late father's colleagues each of whom holds a piece of the puzzle he's trying to solve as blake puts the pieces together he discovers that in the final analysis a lack of skills isn't what holds most leaders back without demonstrated leadership character a skill set will never be enough most often when leaders fail to reach their full potential it is an issue of the heart this is blake's ultimate revelation this book shows us that leadership needn't be the purview of the few it is within reach for millions around the world the heart of leadership is a road map for every person who desires to make a difference in the lives of others and become a leader people want to follow

the wall street journal bestselling author provides a pragmatic approach to the art of attracting and retaining top talent a must read for leaders candice l saunders president and ceo wellstar health system what does top talent really want more than vision strategy creativity marketing finance or even technology it is ultimately people that determine organizational success that's why virtually every organization wants more top talent but do you know what they're looking for it might not be what you think talent magnet will show you how to attract and keep great people the war for talent is on and many good leaders and organizations are really struggling talent magnet presents a terrific approach that is both insightful and actionable born out of firsthand research and told through a readable and relatable story i read it straight through stephen m r covey new york times and 1 wall street journal bestselling author of the speed of trust people drive your success more than anything else and mark miller shows us how to attract the best of them to your company

randy street new york times bestselling coauthor of who great people are going to work somewhere why not for you talent magnet will show you how to attract the people every organization wants read it to take your team and organization to the next level jon gordon wall street journal bestselling author of the energy bus

the acclaimed leadership expert offers a proven research based method for creating workplaces where everyone performs at the highest level all high performance organizations have one thing in common execution the men and women who work there sustain performance at seemingly otherworldly levels of precision accuracy and consistency in the fifth and final book of mark miller's high performance series he uses his trademark business fable format to show how any organization can cultivate the kind of everyday habits that yield extraordinary results miller tells the story of blake brown a ceo who learns essential business leadership lessons from a surprising source his son's high school football coach the story is fictional but the principles and practices are very real derived from years of research led by a team from stanford university miller and his team interviewed leaders and employees from numerous world class organizations including the navy seals starbucks apple southwest airlines the seattle seahawks mayo clinic cirque du soleil and more the lessons learned were then field tested with over seventy businesses employing over seven thousand people miller gives you proven tools to release the untapped potential in your people create a strong competitive advantage and win not just on game day but every day

everyone knows that collaboration creates high performing teams and organizations yet it often doesn't happen because people and groups typically believe that the problem is always outside the other team member the other department the other company this book teaches people at all levels from entry level associates to top executives that it's up to them to help promote and preserve a winning culture of collaboration the authors show that busting silos and bringing people together is an inside out process that involves your heart your character and intentions your head your beliefs and attitudes and your hands your actions and behaviors working with this three part approach this resource helps readers develop a collaborative culture by utilizing differences nurturing safety and trust instituting a clear purpose values and goals talking openly and empowering themselves and others

biblical personalities examined include abraham jacob joseph moses joshua samson saul david solomon ezra nehemiah jesus peter paul and many others
