beginning with the church fathers and moving right through to the present day the holy spirit offers a theologically informed international collection of the most important texts relating to christians understanding of the holy spirit a new volume of texts and readings offering a chronologically organized selection of the most important and interesting writings on the holy spirit considers how the holy spirit has always been an integral part of both christian belief and systematic theology from the church fathers through to the present day each set of readings is prefaced by an introduction from the editor drawing out the main themes and important historical points and linking the readings to what has gone before tackles the disagreements over the role of the holy spirit within the trinity and how it was a contributing factor in the split between the western and eastern church opens with a newly commissioned essay describing the importance of the holy spirit in the theology of the last one hundred years and in particular in relation to the revival of trinitarian theology

in the code of the holy spirit perry stone shares a unique view of the holy spirit through the lens of old testament writings and jewish tradition

spirit of truth dove spirit of holiness eyes of the lord how much do you know about the person and works of the holy spirit to many christians the third member of the trinity is a mystery this devotional study of the holy spirit looks at his ministry throughout scripture as revealed in the names the bible gives him knowledge of him will help you understand his power his intercession his indwelling his gifts his anointing fruit produced in believers names of the holy spirit follows names of christ in a trilogy designed to help christians better understand the glory majesty and power of the triune god

a study of bible teaching about the nature of god evidences for god jesus and the bible including a careful study of creation vs evolution topics studied are god s power wisdom love and holiness the providence of god the number of individuals in the godhead the deity of jesus the holy spirit and spiritual gifts fulfilled prophecy miracles and the resurrection the significance of the bible doctrine of creation the consequences of evolution humanism compared to the bible the length of the days of creation

in spiritual gifts church under siege this book is part of a 3 book series charles laments over how ministry gifts which were intended to prepare saints have been woefully neglected he argues that believers are granted abilities and leaders are needed who are willing to invest in them he moans that those with ministry gifts of the lord jesus christ have behaved as if they are not committed to training individual believers the black pulpit has ignored the pews in the department of gift identification and developing he pleads with the leaders as ministers of the lord jesus christ to fulfil the number one functional dynamic in this life in your gift from god the holy spirit matters book 1 charles takes the reader on a hunt to explore how the individual believer is granted a supernatural gift he persuades and convinces the believer to discover his individual strategic gifting he defines and illustrates the gifts and tackles

the controversial charles says ministry gifts were given to prepare the saints for the work of service and not to do the work of the ministry he shows how pentecostal evangelicals charismatic evangelicals and traditional evangelicals have been uniquely gifted and what must be discovered at the individual level according to the divine strategy of god the father god the son and god the holy spirit in spiritual gifts welcome to the church book 2 charles defines and describes each gift he persuades the believer to connect with individual gifting according to the will of god the father god the son and god the holy spirit he urges that every believer is entrusted with a gift that can be known and used to benefit many

this fifth volume begins the doctrinal treatises of perkins with three contributions of catechetical theology the first treatise is an exposition of the symbol or apostles creed examining the contours of christian faith perkins handles each article of the creed according to its basic meaning the duties it calls us to and the consolation it brings he closes the entire work by explaining how the creed is a storehouse of remedies against all troubles and temptations whatsoever the second treatise is an exposition of the lord s prayer detailing the chief christian desires perkins explains the meaning of the petitions of the lord s prayer and the manifold uses for each perkins closes his exposition with the proper uses of the lord s prayer in general the circumstances related to the way we pray and a word on god hearing our prayers this treatise also includes a collection of prayers with short expositions from the bible and a poetic song gathered out of the psalms containing the sobs and sighs of all repentant sinners the third treatise is the foundation of christian religion gathered into six principles which sets down the principle points of christian religion in order to establish readers in true knowledge unfeigned faith and sound repentance providing a rudimentary understanding of the ten commandments the creed the lord s prayer and the two sacraments perkins s foundation sets a framework for people to profit more from sermons and to receive the lord s supper with comfort

prayer is asking seeking and knocking and the word of god says ask and it will be given to you seek and you will find knock and it will be opened to you for everyone who asks receives and he who seeks finds and to him who knocks it will be opened to mat 7 7 8 fasting is denying yourself of food and or water for a period of time for spiritual reasons which manifests spiritually physically mentally financially maritally and in other areas it is prayer and fasting because fasting should go along with more intensified prayer

what terms would early christians have used to address one another in the first book length study on this topic paul trebilco investigates the origin use and function of seven key self designations brothers and sisters believers saints the assembly disciples the way and christian in doing so he discovers what they reveal about the identity self understanding and character of the early christian movement this study sheds light on the theology of particular new testament authors and on the relationship of early christian authors and communities to the old testament and to the wider context of the greco roman world trebilco s writing is informed by other work in the area of sociolinguistics on the development of self designations and labels and provides a fascinating insight into this often neglected topic

the volume discusses the world as it was known in the medieval and early modern periods focusing on projects concerned with mapping as a conceptual and artistic practice with visual representations of space and with destinations of real and fictive travel maps were often taken as straightforward objective configurations however they expose deeply subjective frameworks with social political and economic

significance travel narratives whether illustrated or not can address similar frameworks whereas travelled space is often adventurous and speaking of hardship strange encounters and danger city portraits tell a tale of civilized life and civic pride the book seeks to address the multiple ways in which maps and travel literature conceive of the world communicate a weltbild depict space and or define knowledge the volume challenges academic boundaries in the study of cartography by exploring the links between mapmaking and artistic practices the contributions discuss individual mapmakers authors of travelogues mapmaking as an artistic practice the relationship between travel literature and mapmaking illustration in travel literature and imagination in depictions of newly explored worlds

this is a fascinating lucidly presented work offering fresh insights into a number of key passages in the gospel and showing the fruitfulness of examining luke s usage in the light of judaism whatever their level of expertise students of luke and of the use of scripture in scripture will find useful and challenging material in this comprehensive volume i howard marshall king s college luke and scripture is an important contribution to the study of comparative midrash and the role and function of authoritative sacred tradition in the life of the early christian community this book sharpens the definition of midrash criticism in relation to other methods both in theory and practice and in the process sheds further light on luke s understanding of jesus the origin of early christianity and his own experience in terms of israel s sacred tradition and institutions mikeal c parsons baylor university

god is fearful in praises and there is great power in praise if you have done all you know to do without success use the weapon of praise and the result you will get will blow your mind a classic example of the power of praise is when the people of moab ammon and mount seir came to battle with jehoshaphat king of judah the lord fought for them as they sang and praised but i want you to notice that it was not praises alone that secured the victory for them firstly they fasted secondly they prayed thirdly they believed god fourthly they appointed holy and sanctified people to offer praises and fifthly they sang and praised

forty years of in depth research on martin luther s theology uniquely qualifies oswald bayer to present this comprehensive introduction to luther s thought written for those lacking an academic background in theology bayer s noteworthy study explores the basics of luther s understanding of theology discussing his response to the philosophy of science tradition the formula by which he studied theology and the basic philosophy that informed him bayer then takes luther s stance on christian dogmatics and ethics and applies it to our own theological understanding in the modern age with such a complete lutheran dogmatic concept the first of its kind offered the stunning inner consistency of luther s theology and its ease of application to contemporary studies become unmistakably clear

in a culture increasingly secular in its pursuits and indifferent to the voice of the church how may we ignite the fire for ministry that will bring the gospel to the world how can weary pastors be sustained amidst a climate of doubt and resistance for more than half a century three remarkable brothers have offered a vision that has inspired thousands in churches and seminaries today their message remains fresh and relevant as we enter a new millennium and for one reason the brothers torrance share a passion for christ the christ of the scriptures the christ of the historic nicene faith these essays distill the essence of their thought and shine with the clarity of their shared vision a passion for christ is a light of encouragement for ministers and lay people elsewhere
