violence suffering hunger death grief and despair would be the regular content of social and mainstream media the negatives are often highlighted rarely does one find something soothing and inspiring for the soul to read and celebrate with the world needs to hear and read a lot of good news more than ever lipad mga kwento ng pag asa mula sa pilipinas fly stories of hope from the philippines aims to bring to the fore 13 stories of hope from my experiences and those of my friends to a world that needs to know of it so direly it also aims to inspire readers to positively respond to those suffering from mental afflictions out of a true desire to understand their predicament and be a support towards their healing after all the illness of one affects the entirety of society the healing of one then leads to the healing of all

practical health and wellness strategies for real life from lauren imparato creator of the i am you lifestyle brand and yoga studio rest to rage meditate to work cleanse to get dirty enough preaching about self deprivation no more striving for bodily purity who has the patience or the time for strict dietary restrictions and hours of meditation let s get real these tactics just don t work at least not for long but that doesn t mean health and happiness are unobtainable most often you just need an anxiety buster you can do while running down the street or a yoga pose you can do at your desk or a way to debloat what feels like an alien baby in your abdomen retox isn t about changing who you are or denying life s pleasures it s about tailoring sensible scientifically based health practices to the life you already live it s about working hard playing harder and renewing your balance and energy so you can do it all again in retox health expert lauren imparato strips yoga down to its anatomical principles offering practical tips for fast relief then drawing from a variety of disciplines from psychology to nutrition to tibetan philosophy she designs no nonsense strategies and delicious recipes to combat the most common challenges of modern life stress and anxiety low energy back pain and headaches hangovers pms sleep deprivation and much more

award winning memoirist meg stafford has an adventurous spirit and this time she takes us along for the ride when her daughters venture into terra incognita one of them meditating in the himalayas and the other negotiating with the colombian military stafford decides to go too in the process she reflects on her own lifetime of wanderlust and what it means for a parent to love and to let go generous insightful and deeply funny stafford is the ideal tour guide for a journey as big as the world and as intimate as the human heart so profoundly moving so beautifully crafted so brave a story about being true to oneself stafford brings all of herself to the reader as she shares her fears doubts triumphs excitement and love of life this book is 100 authentic because it is so human so real susan frankl md harvard medical school a road map for parenting adventurous adults stafford asks all the right questions where are we headed in life who will come with us on the journey how do we hold our children close while allowing them the freedom to grow the most touching part she doesn t hide the struggle as she tries with love and curiosity and humor to find the answers fran booth licsw trainer internal family systems

the new completely updated edition of the aerial photography classic extensively revised to address today s technological advances aerial photography and image interpretation third edition offers a thorough survey of the technology techniques processes and methods used to create and interpret aerial photographs the new edition also covers other forms of remote sensing with topics that include the most current information on orthophotography including digital soft copy photogrammetry digital image capture and interpretation gps gis small format aerial photography statistical analysis and thematic mapping errors and more a basic introduction is also given to nonphotographic and space based imaging platforms and sensors including landsat lidar thermal and multispectral this new third edition features additional coverage of the specialized camera equipment used in aerial photography a strong focus on aerial photography and image interpretation allowing for a much more thorough presentation of the techniques processes and methods than is possible in the broader remote sensing texts currently available straightforward user friendly writing style expanded coverage of

digital photography test questions and summaries for quick review at the end of each chapter written in a straightforward style supplemented with hundreds of photographs and illustrations aerial photography and image interpretation third edition is the most in depth resource for undergraduate students and professionals in such fields as forestry geography environmental science archaeology resource management surveying civil and environmental engineering natural resources and agriculture

of one and a half million surviving photographs related to nazi concentration camps only four depict the actual process of mass killing perpetrated at the gas chambers images in spite of all reveals that these rare photos of auschwitz taken clandestinely by one of the jewish prisoners forced to help carry out the atrocities there were made as a potent act of resistance available today because they were smuggled out of the camp and into the hands of polish resistance fighters the photographs show a group of naked women being herded into the gas chambers and the cremation of corpses that have just been pulled out georges didi huberman s relentless consideration of these harrowing scenes demonstrates how holocaust testimony can shift from texts and imaginations to irrefutable images that attempt to speak the unspeakable including a powerful response to those who have criticized his interest in these images as voyeuristic didi huberman s eloquent reflections constitute an invaluable contribution to debates over the representability of the holocaust and the status of archival photographs in an image saturated world

the characteristics of students of today were gathered from student outputs key informants and literature regarding studentsâ life style positioning and peculiar traits from the data collected key points were marked with codes extracted from the text and grouped into similar concepts from these concepts categories were formed which became the basis for an acronym to describe the peculiar characteristics of todayâ s generation at saturation point the acronym â æepicâ was chosen to convey the four emergent themes which may literally mean â æextending beyond the usual or ordinary especially in size or scopeâ indeed the present generation is of unprecedented size in its interconnections via world wide secondly this generation is fittingly called epic generation because of its peculiar characteristics experiential participative image driven and connected
