prophecies of godlessness explores the surprisingly similar expectations of religious and moral change voiced by major american thinkers from the time of the puritans to today these predictions of godlessness in american societysometimes by those favoring the foreseen future sometimes by those fearing it have a history as old as america and indeed seem crucially intertwined with it this book shows that there have been and continue to be patterns to these prophecies they determine how some people perceive and analyze america s prospective moral and religious future how they express themselves and powerfully affect how others hear them while these patterns have taken a sinuous and at times subterranean route to the present when we think about the future of america we are thinking about that future largely with terms and expectations first laid out by past generations some stemming back before the very foundations of the united states even contemporary atheists and those who predict optimistic techno utopias rely on scripts that are deeply rooted in the american past this book excavates the history of these prophecies each chapter attends to a particular era and each is organized around a focal individual a community of thought and changing conceptions of secularization each chapter also discusses how such predictions are part of all thought about the good society and how such thinking structures our apprehension of the present forming a feedback loop of sorts extending from the role of prophecies in thomas jeffersons thought to the civil war through progressivism the scopes trial the cold war and beyond prophecies of godlessness demonstrates that expectations about america s future character and piety are not an accidental feature of american thought but have been and continue to be absolutely essential to the meaning of the nation itself

the twenty first century has seen energy passing between religious and political worldviews kicking up dust around the identity and conviction based fault lines in american society

while many evangelical christians have developed and deployed a worldview theory to describe and locate themselves within the world's ideological strife jacob cook argues this approach has in effect compelled those listening to adopt the world's divisive modes of dealing with difference rather than living out a compelling alternative as a popular framework for theology in recent history world viewing has driven its white evangelical adherents to narrate human lives in this world including their own in ways that warp christian identity as a personal social and theological reality through close studies of key white evangelical leaders who utilized the worldview concept for political engagement and cultural transformation over the last century cook reveals why worldview theory is inept for grasping real human complexity and moreover how it forms a barrier to genuine life together as creatures in a world only the living god can really view in between these studies he draws from current conversations in psychology sociology critical race studies and other fields to deliver a vigorous critique of the worldview concept and its use as well as its underlying impulse and to unmask what world viewing shares with the history and spirit of whiteness this book is for those wrestling with the relationship between christianity and whiteness in america how the dynamics of whiteness have become transparent and thus contentions and where to go from here if one is to follow jesus

drawing on ethnographic inquiry and the anthropological literature on doubt and atheism this volume explores people's reluctance to pursue religion the contributors capture the experiences of godless people and examine their perspectives on the role of religion in their personal and public lives in doing so the volume contributes to a critical understanding of the processes of disengagement from religion and reveals the challenges and paradoxes that godless people face

this brief and compelling study introduces us to the german lutheran pastor dietrich bonhoeffer and the russian orthodox priest father alexander men these two martyrs each confronted a hostile totalitarian world and their lives show us how to speak about christ in a world that has forgotten god contrasting the lives of two 20th century martyrs to nazi and soviet power michel evdokimov challenges us to meet the world on its own terms and to meet god in the form of our neighbor

perhaps you've thought that the traditional ways of understanding god are lacking in resonance and relevance that there must be more to the concept of divinity than the anthropomorphic gender exclusionary ethically and logically problematic god of christianity judaism and islam if so this beautiful book may be the path to enlightenment that you've been seeking uthimaniyya or trans sufism embraces the idea that there is an ultimate spiritual experience called the consciousness of the eternal now or sitting on the throne of god this experience is not dependent on any past religion instead it is realized through observing a mathematically mystical version of the seventh day the throne sabbath that is more compatible with a belief in god as everything and everything as god since a god that is everything cannot have a personhood it is referred to as the impersonal god or the godless god the throne sabbath is based on a radical reinterpretation of the biblical and qur'anic myth of the creation of the world in six days and a seventh day when the creator rested bible or retreated to his throne qur'an inspiring and transcendent how to sit on the throne of the godless god is the guide you need to access a new viewpoint

although many individuals identify as atheists little is understood about the belief system beyond the simple lack of a belief in a higher power hannah k. scheidt's practicing atheism culture media and ritual in the contemporary atheist network unpacks the cultural products

both corporate driven and grassroots that carry messages about atheism to examine the complicated relationship between organized atheism and religion
