this volume of the national political science review the official publication of the national political science association is anchored by a major symposium on the politics of the black nation the book authored by matthew holden in 1973 which is now considered one of the most influential books in the field of black politics twenty five years provide a sufficient timespan on which to base a retrospective of the book and simultaneously to reflect upon the evolution of the black liberation struggle more formally called african american politics in the present age there is not much talk about a black nation certainly not as was heard during the 1960s and mid 1970s yet there is a persistent sense of separateness in that there

is constant thought and talk of black america as a significantly separate communal entity black americans are seen as a racially and culturally distinct community holding to social political economic interests which have special significance and poignancy for them holden s perception of the nature of the times in the early seventies stands in sharp contrast to how contemporary analysts of african american politics tend to perceive the nature of african americans role in political life and their position in american society in the present age in this retrospective readers have the opportunity to get a sense of what holden argued of the seven essays that make up his seminal volume and to consider how well holden s observations have stood the tests of time in addition to the essays presented at the symposium which pointedly discuss holden s work there are essays dealing with african american politics in constancy and change by contributors including charles henry david covin robert c smith clyde lusane cheryl miller d linell finley and sekou franklin among others other features are a highly informative discussion of the literary digest magazine s straw vote presidential polls 1916 1936 and a review essay by peter ronaye in which he discusses america as new world power u s foreign policy in the post cold war era the volume concludes with fifteen book reviews by knowledgeable scholars the politics of the black nation is a timely thought provoking volume it will be of immense value to ethnic studies specialists african american studies scholars political scientists historians and sociologists georgia a persons is professor in the school of public policy at the georgia institute of technology and the current editor of the national political science review

gerald moore shows how the problematic of the gift drives and illuminates the last century of french philosophy by tracing the creation of the gift as a concept from its origins in philosophy and the social sciences right up to the present moore shows

the traditional assumption today about race is that it is not political that it has no political content and is a matter of individual beliefs and attitudes in race and the politics of the exception utz mcknight argues that race is in fact political and defines how it functions as a politics in the united states mcknight organizes his book into three sections beginning with a theoretical section about racial politics in the united states using theorists such as benjamin agamben and schmitt mcknight discusses how the idea of racial communities went from being constituted through the idea of racial sovereignty and a politics of the exception that defined blacks as the internal enemy to being constitutionally defined through the institutions of racial equal opportunity in the second section mcknight further develops his critical race theory by exploring in more detail the social use of race today the election of president obama has brought the politics of racial equality to a critical point in spite of a very powerful set of political tools to define it as a thing of the past race matters in the final section mcknight engages with important african american fiction from each of the three major periods of racial politics in the us earlier descriptions of political theory are used throughout these analyses to refine the argument for a new critical politics of race scholars of political theory identity politics african american studies and american studies will find this work ground breaking and relevant

taking its cue from mark nation s regret that john howard yoder refrained from a fuller engagement with the western

philosophical tradition this book is an effort to explore the possibilities inherent in that conversation it develops a dialogue between yoder and the french philosopher emmanuel levinas the placement of yoder s work alongside of levinas conception of otherness cashes out the embedded hope in nation s remarks by demonstrating the continuing relevancy of yoder s thought for current christian sociopolitical discourse this book is especially aimed at those who seek to continue exploring the themes and ideas of john howard yoder
