antigone on the contemporary world stage is the first book to analyse what happens to sophocles play as it is adapted and re produced around the world and the first to focus specifically on antigone in performance the essays by an international gathering of noted scholars from a wide range of disciplines highlight the numerous ways in which social political historical and cultural contexts transform the material how artists and audiences in diverse societies including argentina the congo finland haiti india japan and the united states interact with it and the variety of issues it has been used to address

italian women at war sisters in arms from unification to the twentieth century offers diverse perspectives on italian women s participation in war and conflict throughout italy s modern history contributing to the ongoing scholarly conversation on this topic part one of the book focuses on heroines who fought for italy s unification and on the anti heroines or brigantesse who opposed such a momentous change part two considers exceptional individuals such as eva kühn amendola who combatted both with her body and her pen as well as collective female efforts during the world wars whether military or civilian in part three where the

context is twentieth century society the focus shifts to those women engaged in less conventional conflicts who resorted to different forms of revolt including active non violence all of the women presented across these chapters engage in combat to protest a particular state of affairs and effect change yet their weapons range from the literal like peppa la cannoniera s cannon to the metaphorical like letizia battaglia s camera several of the essays in this volume discuss fictional heroines who appear in works of literature and film though all are based on actual women and reference real historical contexts italian women at war furthers the efforts begun decades ago to recognize italian women combatants especially in light of the recent anniversary of the unification in 2011 and global discussions regarding the role of women in the military its aim is not to glorify violence and war but to celebrate the active role of italian women in the evolution of their nation and to demystify the idea of the woman warrior who has always been viewed either as an extraordinary almost mythical creature or as an affront to the traditional feminine identity

this volume explores a variety of iconic female characters in italian literature art and film who depict distinct representatives of female identity within this national culture the contributors here apply various methodologies to characterize the evolution of women s identity and their representation in such expressive modalities drawing from literature film drama history the humanities media and cultural studies cross genre cross cultural and cross national explorations are also utilised here in order to underline the multifaceted ways in which de facto female characterization occurred

what can survive the end of the world in otherworlds philosopher federico campagna constructs extraordinary stories and alternative histories of the mediterranean nexus of

migrations and odysseys ruins and romances to depict a world in which the imagination is the only engine of survival chapter by chapter campagna chronicles the existential challenges posed by history and the inventive and radical responses of people facing the ruin of their world from the earliest myths with which the inhabitants of the kingdoms around the mediterranean constructed a shared social reality the stories of the mediterranean are dominated by cataclysm and collapse in which fugitive fragments become the building blocks of resilience and renewal alexander the great s cataclysmic conquests seed a cycle of existential romances pagan philosophers fleeing the fall of rome give rise to new visions of reality translators across the islamic world iberia and italy use stories to bridge the gap between cultures at war and pirates slaves renegades and publishers expand the imaginative horizons of human possibility through modernity and beyond in campagna s lyrical novel and expansive work part history part philosophy part love letter to a heritage of seasonal migration and searches for belonging the challenges of disintegration and destruction are time and again met with the creation of new and radical realities as rich and various as the philosophy myths literature and art of the mediterranean itself otherworlds traces the tales of these attempts to reinvent the world and reveals how at the most dramatic and decisive junctures of mediterranean history it was the ability to set sail for these other worlds which prevailed

sophocles stands as one of the greatest dramatists of all time and one of the most influential on artists and thinkers over the centuries his plays are deeply disturbing and unpredictable unrelenting and open ended refusing to present firm answers to the questions of human existence or to provide a redemptive justification of the ways of gods to men or women these three tragedies portray the extremes of human suffering and emotion turning the heroic myths into supreme works of poetry and dramatic action antigone s obsession with the dead creon s crushing inflexibility deianeira s jealous desperation the injustice of the gods witnessed by hyllus electra s obsessive vindictiveness the threatening of insoluble dynastic contamination such are the pains and distortions and instabilities of sophoclean tragedy and yet they do not deteriorate into cacophony or disgust or incoherence or silence they face the music and through that the suffering is itself turned into the coherence of music and poetry these original and distinctive verse translations convey the vitality of sophocles poetry and the vigour of the plays in performance doing justice to both the sound of the poetry and the theatricality of the tragedies each play is accompanied by an

introduction and substantial notes on topographical and mythical references and interpretation
