finished your book but don't know where to start with the marketing the answer is here you start with this book in funny you should ask how to market a book amazon bestselling author lori culwell provides a start to finish blueprint for getting your book out there in a big way you'll discover what goes into an ideal author platform how to optimize your book's metadata to show up in the amazon algorithm and all the steps of a perfect book launch in funny you should ask how to market a book you'll learn how to get your head on straight when it comes to marketing your work what to put on your website what to put on your social media how to claim your work on book sites what to look for in a competitive analysis why it's so important to be super specific about your genre subgenre how to research keywords and categories how to get reviews how to get people onto your email list newsletter and what to say to them once they're on there what promo stacks are and how to make them work for you what amazon's honeymoon period is and what it has to do with your book

here you are you've done it you've finished your book maybe you have some final touches left but the hard part is over and you've completed your masterpiece all those days spent researching and writing and fitting everything together perfectly are behind you but your book isn't really selling like you hoped it would why why aren't people rushing to read your carefully crafted world or your precise report on that important matter well my fellow writer it once struck me just as it will inevitably at some point strike you so we might as well just get it out of the way i hate to be the one to tell you but nobody really gives a damn about you you're a new author nobody's ever heard of they skim past your great book cover in a mere instant simply because they don't know your name they ignore your catchy book title simply because they don't trust their money with you you're an unknown therefore you're a risky choice yes even for the price of a damn cup of coffee they'll cruise past your long hours of work without any kind of afterthought i know it's the brutal reality of indie authors but it's the reality nonetheless big authors sell their books using their names signed authors sell their books using their publisher's name but the rest of us self-publishing authors are left to fend for ourselves i too once thought that writing a good book is the hard part now i know better now i know that selling my work is actually the hardest part by far but don't give up not yet not when you can learn from my mistakes and occasional successes not when you're so close so here goes everything i've tried everything i've done and everything i've learned over the years about marketing your book

are you excited that you finished your manuscript are you ready to publish your book are you ready to watch your book fly off the book shelves think again without an effort to market your book no one will know it exists and the ugly truth is that marketing is your job not your publisher s job once you finish your book the work just begins whether a traditional publishing house publishes your book or you publish your own book all authors are equal once a book is in the marketplace unless of course you are the president of the united states if you think marketing sounds difficult like a job for a publicist think again in the secrets to successfully marketing your book you will learn how to use social media and traditional methods to reach potential buyers as a published author with the american management association susan page learned the hard way how to build awareness for her product two years after her first book was published it continues to sell well along with an engaging and user friendly approach to marketing the secrets to successfully marketing your book presents a plan that outlines the monthly tasks you have to accomplish starting six months prior to publication and continuing until after publication you could buy a book on social networking another book on building a web site and another book on developing a marketing plan but the secrets to successfully marketing your book blends all these topics together in one organized marketing plan susan page outlines what you have to do to keep your book selling and she writes it in the same pragmatic approach as she took with the power of business process improvement she goes right to the information authors want and shares the secrets by explaining the how and not just the what you have to do so save your money on a publicist you have the power to market your book your success depends on you

authors will benefit hugely from this practical book by seeing how effective they can be at helping to promote their own books alison baverstock encourages authors to work with publishers and agents but also explains how to go it alone for authors who plan to self publish the book covers how marketing works what opportunities there are how authors can help how to get noticed how to get local publicity organise a launch event and keep the momentum going after publication the book also provides authors with a real insight into the publishing process and contains illuminating interviews with everyone concerned editors marketing people and most importantly authors

writing a book whether fiction or non fiction can be a very challenging task to accomplish and requires courage patience and determination after writing your

book your work is not done as you still need to promote and sell your book
