the hugo award winning science fiction novel about a space station caught in the crosshairs
of an interstellar war perfect for fans of space opera and military science fiction a hell of a
story io9 the beyond started with the stations orbiting the stars nearest earth the great circle
the interstellar freighters traveled was long but not unmanageable and the early stations
were emotionally and politically dependent on mother earth the earth company which ran
this immense operation reaped incalculable profits and influenced the affairs of nations then
came pell the first station centered around a newly discovered living planet the discovery of
pell s world forever altered the power balance of the beyond earth was no longer the anchor
which kept this vast empire from coming adrift the one living mote in a sterile universe but
pell was just the first living planet then came cyteen and later others and a new and
frighteningly different society grew in the farther reaches of space the importance of earth
faded and the company reaped ever smaller profits as the economic focus of space turned
outward but the powerful earth fleet was still a presence in the beyond and pell station was
to become the last stronghold in a titanic struggle between the vast dynamic forces of the
rebel union and those who defended earth s last desperate grasp for the stars

a space battle had destroyed his ship with over 80 people and the enemy ship with a
hundred more his survival capsule has landed on a strange planet stranded for life kurt
morgan had to adapt or face extinction novelist

the hugo award winning classic now available in a trade edition for the first time pell s

station orbiting the alien world simply called downbelow had always managed to remain neutral in the ever escalating conflict between the company whose fleets from earth had colonized space and its increasingly independent and rebellious colony worlds but pell's location on the outer edge of earth's defensive perimeter makes her the focal point in the titanic battle of colony worlds fighting for independence

the long awaited sequel to the hugo award winning novels cyteen and downbelow station the direct sequel to cyteen regenesis continues the story of ariane emory personal replicate the genetic clone of one of the greatest scientists humanity has ever produced and of her search for the murderer of her progenitor the original ariane emory murder politics deception and genetic and psychological manipulation combine against a backdrop of interstellar human factions at odds to confront questions that have remained unanswered for two decades who killed the original ariane emory and can her personal replicate avoid the same fate

together for the first time in one volume all four novels in the dark science fiction epic the morgaine cycle the gates were relics of a lost era a linked network of portals that the ruthless qual empire used to span time and space the science bureau has come to believe that sometime somewhere in the unreachable past someone has done the unthinkable and warped the very fabric of the universe using these gates now it is up to morgaine a mysterious woman aided by a single warrior honor bound to serve her to travel from world to world sealing the ancient gates whose very existence threatens the integrity of all worlds

the second volume of the chanur saga set in the alliance union universe featuring the alien spaceship captain pyanfar chanur and her human crewmate tully in this sequel to the pride of chanur pyanfar chanur and her human companion tully must sensitive complex interstellar politics without getting caught in an all out war two years after the events of the previous book pyanfar returns to meetpoint station with the hani spaceship the pride of chanur to find her comrades goldtooth and tully goldtooth advises pyanfar to take tully whom the enemy kif are hunting and head for mahen space the mahendo sat on the other hand retrieved tully from human space and are paving the way for a fleet of human ships to open up trade with the central compact but the kif and the stsho oppose the humans presence for fear of losing their place and influence in the compact the kif are themselves involved in a power struggle two kif leaders akkhtimakt and sikkukkut are vying for the lofty position of mekt hakkikt sikkukkut draws a reluctant pyanfar into the feud and her association with the kif puts her at odds with the han then when the kif conflict spills over into hani space all she and tully can do is stay alive until goldtooth and the human ships arrive

the 22nd book in the beloved foreigner saga continues the adventures of diplomat bren cameron as he navigates the tenuous peace he has struck between human refugees and the alien atevi in the east outright warfare has tied down the assassins guild and that region is in confusion ready to hand is an age old feud in the west where the master of ashidama bay has long hated the edi people of the north shore and equally hated the aishidi tat for bringing the edi to his shores and hatred is a resource the shadow guild knows how to use

to its advantage bren cameron is tasked with getting ilisidi the aiji dowager back to the capital alive on an urgent basis but events are cascading down on the south the guild is stretched thin in the east and the shadow guild is within striking distance of critical targets that could bring war to the entire south two lives stand in the breach two lives the aishidi tat would not willingly risk ilisidi and bren and the shadow guild will spend anything and everything to take them out the foreigner series sets the standard for sci fi first contact sagas a smart probing engaging sociopolitical narrative from an acknowledged master of the genre
