Super problems in inorganic chemistry by PMS Sir. Super problems in inorganic chemistry has been conceived to meet the specific requirements of the students preparing for IIT JEE, NEET, Olympiad and other competitive examinations. The best way to ensure that students understand the concepts of inorganic chemistry is to solve as many problems on each topic. Students should attempt a variety of different problems rather than spending too much time with the same problems again and again. Students should also ensure to read each problem carefully since a small variation in the wording of a problem can make a huge difference in its solution. The book has ample number of problems of different profiles to help students to get a grip on the subject quickly. The number of problems given in every exercise will definitely aid the purpose. Each chapter of this book has two exercises except chapter 6 types of reaction.

This book is first of its kind ever written for NEET, UG, AIIMS, JIPMER.
