do the portrayals of objects in literary texts represent historical evidence about the material culture of the past or are things in books more than things in the world sophie volpp considers fictional objects of the late ming and qing that defy being read as illustrative of historical things instead she argues fictional objects are often signs of fictionality themselves calling attention to the nature of the relationship between literature and materiality volpp examines a series of objects a robe a box and a shell a telescope a plate glass mirror and a painting drawn from the canonical works frequently mined for information about late imperial material culture including the novels the plum in the golden vase and the story of the stone as well as the short fiction of feng menglong ling mengchu and li yu she argues that although fictional objects invite readers to think of them as illustrative in fact inconsistent and discontinuous representation disconnects the literary object from potential historical analogues the historical resonances of literary objects illuminate the rhetorical strategies of individual works of fiction and more broadly conceptions of fictionality in the ming and qing rather than offering a transparent lens on the past fictional objects train the reader to be aware of the fallibility of perception a deeply insightful analysis of late ming and qing texts and reading practices the substance of fiction has important implications for chinese literary studies history and art history as well as the material turn in the humanities

reprint of the original first published in 1845 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

the code of federal regulations is the codification of the general and permanent rules published in the federal register by the executive departments and agencies of the federal government

wayang kulit or shadow puppetry connects a mythic past to the present through public ritual performance and is one of most important performance traditions in bali the dalang or puppeteer is revered in balinese society as a teacher and spiritual leader recently women have begun to study and perform in this traditionally male role an innovation that has triggered resistance and controversy in women in the shadows jennifer goodlander draws on her own experience training as a dalang as well as interviews with early women dalang and leading artists to upend the usual assessments of such gender role shifts she argues that rather than assuming that women performers are necessarily mounting a challenge to tradition tradition in bali must be understood as a system of power that is inextricably linked to gender hierarchy she examines the very idea of tradition and how it forms both an ideological and social foundation in balinese culture ultimately goodlander offers a richer more complicated understanding of both tradition and gender in balinese society following in the footsteps of other eminent reflexive ethnographies women in the shadows will be of value to anyone interested in performance studies southeast asian culture or ethnographic methods
