from the bestselling author of *brumby's run* comes a heart warming story of hope sacrifice and the ultimate triumph of love finalist in the rwa romantic book of the year award call it intuition call it magic call it love something is calling clare home brisbane lawyer clare mitchell leads a structured orderly life that is until she finds herself the unlikely guardian of a small troubled boy in desperation clare takes jack to stay at currawong creek her grandfather's horse

stud in the foothills of the beautiful bunya mountains here life moves at a different pace and for clare it feels like coming home her granddad adores having them there jack loves the animals and clare finds herself falling hard for the handsome local vet but trouble is coming the pyramid mining company threatens to destroy the land clare loves and with it her newfound happiness praise for currawong creek heartfelt and passionate sn weekly a thought provoking emotive read with a delightful warmth i m now going to hunt down everything this talented australian author has ever written the eclectic reader a crisp well written tale sings like a bunya mountain breeze courier mail bestselling aussie author jennifer scoullar writes page turning fiction about the land people and wildlife that she loves currawong creek is book 2 in the standalone wild australia stories buy it now to discover why jennifer scoullar is one of australia s favourite story tellers

the ten pound pom was the description of those people who emigrated to australia from britain between 1945 to 1972 government assisted passage scheme devised by british and australian government australian government subsidised the fare to only 10 paid by the immigrant 10 pom was born this is the personal memoir of one of these 10 pound poms his history the reason for the journey and life in the outback is set down in this book in an informative and interesting way included in these memoirs are snippets of living conditions and attitudes songs and tales of life personal struggles interesting information of the layout and job allocation risks of the job are many including the fauna and flora dangers that must not be overlooked tales of the outback and also tales of the locals and the passions and temperaments of the many interesting characters found in this wild but beautiful country enjoy this wonderful tale and dream of the life under the southern skies

this is the sixth book in the series of comprehensive travel guidebooks to birdwatching destinations in australia for the south australian travel guide the authors selected a wide range of exciting while still reasonably accessible birding spots of the state description of each birding site includes at a minimum habitat description site facilities and key avifauna the authors have cross checked and supplemented their findings with verified sightings reported online the book is richly illustrated with photographs of birds and bird habitats other books by ted alex wnorowski australian good birdwatching guide nsw act australian good birdwatching guide tasmania australian good birdwatching guide victoria australian good birdwatching guide southern central queensland australian good birdwatching guide

northern queensland in preparation australian good birdwatching guide northern territory

mickey dewar made a profound contribution to the history of the northern territory which she performed across many genres she produced high quality memorable and multi sensory histories including the cyclone tracy exhibition at the museum and art gallery of the northern territory and the reinterpretation of fannie bay gaol informed by a great love of books her passion for history was infectious as well as offering three original chapters that appraise her work this edited volume republishes her first book in search of the never never in dewar s comprehensive and incisive appraisal of the literature of the northern territory she provides brilliant often amusing insights into the ever changing representations of a region that has featured so large in the australian popular imagination

british imperialism was almost unparalleled in its historical and geographical reach leaving a legacy of entrenched social transformation in nations and cultures in every part of the globe colonial annexation and government were based on an all encompassing system that integrated and controlled political economic social and ethnic relations and required a similar annexation and control of natural resources and nature itself colonial ideologies were expressed not only in the progressive exploitation of nature but also in the emerging discourses of conservation at the start of the 21st century the conservation of nature is of undiminished importance in post colonial societies yet the legacy of colonial thinking endures what should conservation look like today and what indeed whose ideas should it be based upon decolonizing nature explores the influence of the colonial legacy on contemporary conservation and on ideas about the relationships between people politics and nature in countries and cultures that were once part of the british empire it locates the historical development of the theory and practice of conservation at both the periphery and the centre firmly within the context of this legacy and considers its significance today it highlights the present and future challenges to conservationists of contemporary global neo colonialism the contributors to this volume include both academics and conservation practitioners they provide wide ranging and insightful perspectives on the need for and practical ways to achieve new forms of informed ethical engagement between people and nature
