earthquakes rip through the world as the creator approaches the stars fall the sun goes dark and the moon proclaims death Jesus comes and his powerful presence causes the atmosphere to split and roll away revelation 6 shows people wailing for the mountains to bury them fall on us and hide us from the face of him who sits on the throne and from the wrath of the lamb for the great day of his wrath is come and who will be able to stand and who does stand in that day no one not a single soul it is the total annihilation of a vile self righteous human race God's followers expected all of this to happen on October 22 1844 they watched and waited but Jesus didn't return this was only a warning preview of his return in the sixth seal in God's mercy he commands to delay the cataclysm of judgment day so that he can send to the world the needed preparation for the day of wrath that needed preparation comes with the seven trumpets of the seventh seal that occur after 1844 the postponed destruction seen in the sixth seal will yet be a future reality the seven trumpets and the investigative judgment examines chapters 4 11 in the book of revelation and studies how recent events since 9 11 have almost completed God's gracious delay this book presents a new view of revelation that meets the biblical rules of prophetic interpretation and of the inspired testimony of Jesus which is the spirit of prophecy rev 19

10 how have we done in this waiting period will we stand when jesus returns by god s grace this book will help you prepare for that great day

earth is in its final days and god is displaying his wrath against everything unholy meteor showers blanket the earth volcanoes erupt famine is rampant one third of all trees and grass on the planet are consumed plagues and demonic forces are unleashed the world is in chaos k groups the christian resistance koinonos join forces in jerusalem america and rome to war against the infamous duo gregory kavidas and mortimer stein the masterminds behind the evil plot to take countless souls with them into the lake of fire for all eternity

the book of revelation talks about three groups of seven seven seals seven trumpets and seven vials these three sets of seven make up the primary configuration of the book of revelation the seven seals are a long story that ends at the battle of armageddon the seven trumpets are a shorter story that also ends at the battle of armageddon while the seven vials is a real short story that ends at the battle of armageddon the seven vials do not begin until after the mark of the beast is administered this is known because the bible states that the first vial will be released upon those who accepted the mark of the beast therefore we can conclude that all seven vials will be released upon mankind during the final three and a half years before the battle of armageddon and the second coming of jesus christ the last three and a half year period is known as the great tribulation this book explains when the trumpets began and how many have already sounded

trumpets were extremely important in the lives of the people of ancient israel through the use of trumpets god spoke to them guided them warned them and directed them it was the duty of the priests to sound the trumpets at the appropriate times but sometimes god himself spoke to them directly such as at mt sinai when in awful and terrifying grandeur the sound of the trumpet grew louder and louder as the mighty god of heaven descended in fire and the mountain trembled violently this spectacular demonstration was to prepare the hearts of the people to receive with reverence and awe the pronouncement of his holy ten commandment law ex 19 16 20 21 in fact trumpets were often connected with the law and the ark of the covenant which contained it priests blowing trumpets were to precede and accompany the ark whenever it was transported an example of this is found in joshua 6 1 20 where 7 priests blowing 7 trumpets marched before the ark around the city of jericho for 7 days and on the seventh day they blew the trumpets 7 times and as the people shouted the walls of the city collapsed is the god of heaven any less zealous for his sacred law today than he was in ancient times could it be that even now in our day he is allowing trumpets to blow to warn of the impending collapse of the cities of the nations which are so filled with crime and corruption will he not rise from his throne and oversee the final dispensation of justice upon a world which is careening toward self destruction read the pages of this book and discover the meaning of the extraordinary events that have been happening since the turn of the century and find the way into the safety of god s pavilion

i remember when bro william branham preached the seals shortly after the seals were

preached he said i plan to bring a message on the trumpets next but when the time came he said the lord told me it is not time this morning i would like for you to turn with me to the 6th chapter of revelation we are going to take these verses of scripture and place them out on the chart where they actually fit into the time factor if you notice the 6th chapter this was a chapter from which bro william branham took all the texts when he preached on the seals up and through the sixth seal if you notice the seventh seal does not follow in succession like four follows three and five follows four
