academic advising is the second most important function in the community college if it is not conducted with the utmost efficiency and effectiveness the most important function in the college instruction will fail to achieve its purpose of ensuring that students succeed in navigating the curriculum to completion the

purpose of academic advising is to help students select a program of study to meet their life and vocational goals as such academic advising is a central and important activity in the process of education academic advising occurs at least once each term for every student in the college few student support functions occur as often or affect so many students but while there is general agreement concerning the importance of academic advising for the efficient functioning of the institution and the effective functioning of the student there is little agreement regarding the nature of academic advising and who should perform the function in this seminal work on academic advising the authors of three overarching chapters address the key issues and challenges of academic advising followed by the authors of four of the most innovative and successful programs of academic advising in the nation

now in its fifth edition student services a handbook for the profession has been hailed as a classic reference in the field in this important resource a new cast of student affairs scholars and practitioners examine the changing context of the student experience in higher education the evolution of the role of student affairs professionals and the philosophies ethics and theories that guide the practice of student affairs work the fifth edition covers a broad range of relevant topics including historical roots and development of the profession philosophies and ethical standards legal issues theoretical bases of the profession organizing and managing student affairs programs and essential competencies leadership multiculturalism supervision teaching counseling and helping skills advising and consultation conflict resolution community development professionalism and developing institutional partnerships it also addresses the future of student affairs practice and how it is informed by student learning outcomes and technology the painstakingly thorough coverage of topics important to the profession of student affairs makes this handbook a valuable resource to the scholarly and practice communities of the profession john m braxton professor higher education leadership and policy program peabody college vanderbilt university editor journal of college student development continues three decades of excellence in providing a comprehensive set of resources that provides firm grounding for the higher education student affairs community in all aspects of our profession michael j cuyjet professor department of educational and counseling psychology university of louisville casts an impressively wide net thoroughly capturing critical topics and offering a deeply nuanced and technical yet readily accessible narrative trajectory and study of student affairs in higher education theresa a powell vice president for student affairs temple university

leading specialists in academic advising describe five programs that have been judged by a national panel as among the most outstanding or exemplary in the country also includes an updated version of the original 1972 o banion model and data from the center for community college student engagement

the school services sourcebook covers every aspect of school service delivery arming practitioners with the nuts and bolts of evidence based practice the second edition has been significantly revised with a new structure including 73 chapters divided into five parts across thirteen sections with an additional six chapters included in an online section found on the book s companion website fifteen new chapters cover key topics such as implementing an rti framework positive

behavioral supports school climate functional behavioral assessment the integration of ethics autism and suicide school engagement military families latino immigrant families classroom management transition planning and several chapters that speak to assessment and accountability each chapter serves as a detailed intervention map quickly summarizing the problem area before presenting step by step instructions on how to implement an evidence based program with clear goals in mind and methods to measure the outcome the concise user friendly format from the first edition has been retained orienting readers to each issue with a getting started section then moves smoothly into what we know what we can do tools and practice examples and key points to remember a new section applying interventions within response to intervention framework has been added to each chapter to facilitate the implementation of an rti model quick reference tables and charts highlight the most important information needed for daily reference and annotated lists of further reading and resources guide readers in gathering additional information to tailor their practice to suit their students needs each chapter has been specifically crafted by leaders in their fields with the ultimate goal of giving school based practitioners the tools they need to deliver the best mental health and social services possible to students families and communities this sourcebook is an invaluable reference for all school based social workers psychologists counselors mental health professionals educators and administrators visit the companion website for more information and to access additional book content [url](#)
