liberation lust envy rage power thrill our cars provoke enough emotion to jam a six lane highway if you name your ride reminisce about sex in the back seat or enjoy roaring down the open road you know why we love our wheels but if you hate traffic curse at the price at the pump or fight over parking spaces you know why we hate them too drive is a cross continent adventure that explores where our fuel injected dreams have taken us award winning journalist tim falconer invites us on his road trip as he meets vintage car enthusiasts on route 66 rides along in a police cruiser kicks the tires at a las vegas auto show and takes a hydrogen powered car for a spin steering us along north america s interstates and blue highways meandering through small towns sprawling suburbs and walkable neighbourhoods falconer shows us the growing collision of cars and people in this complicated affair who s really in the driver s seat can smart growth public transit and complete streets free us a spirited front seat view of quirky locals and locales drive looks at what auto dominated life means to our health environment and communities falconer also opens the door on british and argentine car cultures and considers the road ahead for china and india nations with increasingly american attitudes as billions grab their keys can we avoid carmageddon a fascinating survey of the automobile and its effect on society a fun book about a serious topic winnipeg free press essential reading for any canadian intrigued by the conundrum of finding better ways to get from here to there spacing magazine

this book is being written to share ways to save time money and get more of what you want out of life simply through the power of asking many people are afraid to ask for what they want for fear of being told no however in most cases you may be surprised that the answer is often yes and if the answer is no you will still be in the same situation as before you have nothing to lose if you don t ask the answer is always no every day as consumers we are bombarded by vendors with questions these questions entice us to purchase additional services or spend more on a product what would happen if we

started asking our own questions to vendors friends or acquaintances that would allow us to receive better services additional products or save time and money without compromise you will discover that by asking simple everyday questions ones we often hear from the uninhibited mouths of our children to asking more complex questions we can live a more enjoyable life by getting more of what we want more often

when fidel castro sends his top assassin into colorado s high country to kill the vacationing american and russian presidents buck and dolly madison and buck s vietnam war buddies are caught in a cross fire of presidential politics water politics and forced to make a choice between duty honor country and allowing fidel s terrorists to assassinate a president who loathes the military after their private plane is shot down by the terrorists on a rocky mountain glacier buck and dolly must fight their way downhill through a terrorist gauntlet that tests their love courage and survival skills if they can outwit the terrorists they can prevent the destruction of the lake granby high dam and save the lives of thousands of innocent americans
