the unforeseeably complex socio economic and environmental challenges of the 21st century must be tackled by placing faith in the power of mankind to integrate established wisdom and new knowledge and in our ability to collaborate for a sustainable future departing from this a global 2011 conference debating papers devoted to the impact of ancient philosophy focusing on confucius and aristotle in modern leadership and management was organized by hanban the athens university of economics business and the university of international economics business beijing china a rich sourcebook for a broad audience this unique volume presents the wide array of conference contributions by international thought leaders departing from a foundation of general concepts of ethics and leadership the book then delves into questions about how philosophy shape emerging economic and business systems to end with direct lessons from ancient philosophy for contemporary business challenges

fascination with leadership and its relation to world events seems to be ever growing and leadership narratives are a key element through which leader identities are constructed contemporary research into leadership tends to recycle the same old myths of the heroic white male leader by looking at stories told by leaders in australasia asia north america the middle east and africa this book explores different aspects of leadership narratives the language of leadership narratives brings linguistics and leadership research together showcasing different analytical and methodological approaches and enabling a more critical approach each chapter focuses on a specific area of

leadership research from dark leadership to gendered leadership this book introduces the advantages of analysing leadership narratives as social practice and discusses some of the main themes in contemporary leadership research this volume is key reading for scholars and students of linguistics communication studies and business studies and for those working in business and intercultural communication in the workplace

studies consistently show that quality leadership development programs pay off for companies in the form of shareholder returns market share growth and sales however many companies have inadequate leadership development programs this book challenges traditional views of leadership development with a perspective that focuses on recognizing leadership as a source of competitive advantage if you re a manager or an hr leader the leadership gap offers the practical effective strategies you need to close the leadership gap in your organizations unleashing leadership potential for better business results and a sustainable competitive advantage

in this book gretchen oltman and vicki bautista walk you through the eight steps necessary to craft a personal leadership philosophy a reflective explanation of the leadership style core values mindset and real life experiences that make you the leader you are today when you can authentically tell your story your school community will know you what you value and why you make decisions the way you do you will rediscover a sense of purpose renewal and inspiration that may have slipped away amid the chaos of life and you can build a stronger connection with those you lead and work beside leading in a school setting does not mean you need to lose your individual identity you became a school leader by following your own unique path you possess talents that set you apart from others by working purposefully to share your personal leadership philosophy you can create a new expectation of what school leaders should be and counter the unrealistic assumptions that others may hold you can be more than your title what s your leadership story

storytelling is humanity s oldest way of connecting to others but for businesses and managers it can also be a powerful tool to help organizations grow and thrive a leader s role is to create engagement and belief so that people will act and there s no more powerful way to grab attention be remembered and engage action than by telling stories about who you are what you do and why you do it today storytelling is a hot topic in organizations but most leaders still struggle to act upon it how do we find and tell our stories quickly in an environment of urgency where we can hardly pause to catch our breath for more than a decade hutchens has tested his method of rapid and strategic story development with innovation teams in silicon valley across global fortune 100 leadership teams and more hutchens has honed a unique process that is active potent and strategically focused and also a lot of fun in story dash hutchens shares a repeatable process to find develop and deploy your narrative assets that is your urgent core stories that hold value even better he will help you do it

fast often in less than a day story dash will help you to access your natural capacity for storytelling find your stories and figure out which ones to tell build your narrative so it lands with unforgettable impact find your own voice of authentic leadership bring more of who you are to your teams and your markets fully illustrated and written in a clear sharp voice story dash shares the fastest way to find lots of stories that will create action around the work you care about most

the emerald handbook of authentic leadership is a quest for interdisciplinary insights arising out of theory and practice it is intended for a wide readership interested in leadership and leadership authenticity in the contemporary world

the theory and practice of leadership is one of business s most exhaustively examined and written about subjects given the range and breadth of material on the subject john van maurik s book will come as a welcome introduction for both business people and students in this clear and concise overview van maurik examines the main stages of development in leadership this century and analyses the contribution made by the key writers academics and practitioners this book will provide an invaluable compendium for all those who wish to study leadership and those who wish to put the theory into practice

the unseen leader delivers one simple but immensely powerful point we need to radically rethink how we discuss leadership in this book american historian martin gutmann passionately challenges the received wisdom that history s great leaders were individuals with a proclivity for action and brash words drawing on extensive historical scholarship and contemporary leadership theory gutmann delves into the journeys of four unknown or misunderstood leaders who achieved remarkable successes in vastly different environments the polar north the deserts of arabia the sugar plantations of the caribbean and second world war london what emerges is an entirely new narrative on leadership contrary to the perception of heroic protagonists forging ahead boldly history s truly great leaders were often precisely those who didn t need to generate excessive noise or activity instead they skillfully minimized dramatic circumstances their stories challenge our present day conception of leadership and can inspire the leaders of tomorrow

transformational sales leadership sales leader perspectives offers viewpoints from 12 leaders across the global sales industry all of which challenge conventional sales models and promote visionary ways of thinking about sales and leadership the leaders who share their professional stories in the book are from organizations including sap google nationwide us and royal caribbean as well as their own practices and they represent a new breed of salespeople who are increasingly sought after by organizations which need to transform their practices they run teams drive analytics and improve operational excellence and their careers rise or fall on getting the right kpis their stories address solutions to age old sales problems but they bring a new perspective to the sales function in the digital age the book

focuses on what sales leaders need in order to be innovative specifically the book shows you how to coach sales people through disruption leverage the most valuable habits for success and provide for meaning and purpose in the hyper connected and volatile sales industry if you are a sales professional looking to succeed in challenging scenarios the journeys recounted in this book demonstrate how the landscape of sales has changed and how thinking about sales differently can help you transform your career

a veritable who's who in leadership conversations on leadership features warren bennis jim kouzes john kotter noel tichy peter senge james march howard gardner bill george and others since each leader has a distinctive approach this book provides the multi faceted truths of leadership to broaden and deepen the understanding of the readers

the culmination of 30 years of management consulting and leadership coaching this collection of tried and true tips will make you a better leader when you work to make them yours unlike other leadership coaching books this is not a guide to help coaches improve their skills but to help leaders improve by folding coaching techniques into their leadership approach it covers a wide variety of topics from mindset to culture to change management and each tip comes with a suggested action for executive mid level and supervisory leaders ensuring this book's value regardless of your current leadership role within your organization each of the 101 tips is also accompanied by its why guru guidance that outlines implications and an idea crosswalk section that shows how each tip corresponds to other parts of the book to facilitate innovative thinking about how it can be best put to use enabling good leaders to become exceptional ones by incorporating coaching skills into their leadership practices this clear and practical reference guide will become a go to resource for current and future business leaders coaches and mentors as well as executive education providers
