first published in 1984 native tongue earned wide critical praise and cult status as well set in the twenty second century after the repeal of the nineteenth amendment the novel reveals a world where women are once again property denied civil rights and banned from public life in this world earth s wealth relies on interplanetary commerce for which the population depends on linguists a small clannish group of families whose women breed and become perfect translators of all the galaxies languages the linguists wield power but live in isolated compounds hated by the population and in fear of class warfare but a group of women is destined to challenge the power of men and linguists nazareth the most talented linguist of her family is exhausted by her constant work translating for the government supervising the children s language education in the alien in residence interface chambers running the compound and caring for the elderly men she longs to retire to the barren house where women past childbearing age knit chat and wait to die what nazareth does not yet know is that a clandestine revolution is going on in the barren houses there word by word women are creating a language of their own to free them of men s domination their secret must above all be kept until the language is ready for use the women s language láadan is only one of the brilliant creations found in this stunningly original novel which combines a page turning plot with challenging meditations on the tensions between freedom and control individuals and communities thought and action a complete work in itself it is also the first volume in elgin s acclaimed native tongue trilogy

the brutal lynching of two young black men in marion indiana on august 7 1930 cast a shadow over the town that still lingers it is only one event in the long and complicated history of race relations in marion a history much ignored and considered by many to be

best forgotten but the lynching cannot be forgotten it is too much a part of the fabric of marion too much ingrained even now in the minds of those who live there in our town journalist cynthia carr explores the issues of race loyalty and memory in america through the lens of a specific hate crime that occurred in marion but could have happened anywhere marion is our town america s town and its legacy is our legacy like everyone in marion carr knew the basic details of the lynching even as a child three black men were arrested for attempted murder and rape and two of them were hanged in the courthouse square a fate the third miraculously escaped meeting james cameron the man who d survived led her to examine how the quiet midwestern town she loved could harbor such dark secrets spurred by the realization that like her millions of white americans are intimately connected to this hidden history carr began an investigation into the events of that night racism in marion the presence of the ku klux klan past and present in indiana and her own grandfather s involvement she uncovered a pattern of white guilt and indifference of black anger and fear that are the hallmark of race relations across the country in a sweeping narrative that takes her from the angry energy of a white supremacist rally to the peaceful fields of weaver once an all black settlement neighboring marion in search of the good and the bad in the story of race in america carr returns to her roots to seek out the fascinating people and places that have shaped the town her intensely compelling account of the marion lynching and of her own family s secrets offers a fresh examination of the complex legacy of whiteness in america part mystery part history part true crime saga our town is a riveting read that lays bare a raw and little chronicled facet of our national memory and provides a starting point toward reconciliation with the past on august 7 1930 three black teenagers were dragged from their jail cells in marion indiana and beaten before a howling mob two of them were hanged by fate the third escaped a photo taken that night shows the bodies hanging from the tree but focuses on the faces in the crowd some enraged some laughing and some subdued perhaps already feeling the first pangs of regret sixty three years later journalist cynthia carr began searching the photo for her grandfather s face

beginning with an introductory essay on his achievements it continues with annotations on bernstein s voluminous writings performances educational work and major secondary sources
