water transportation has played a key role in the great lakes region s settlement and economic growth from providing entry into the new lake states to offering cheap transportation for the goods they produced there are numerous tales surrounding the great lakes shipping trade but few storytellers have addressed the factors that influenced the use design and evolution of the ships that sailed the inland seas sail steam and diesel moving cargo on the great lakes provides a comprehensive overview of the evolution of great lakes ships over the centuries from small birch bark canoes originally used in the region to the massive thousand footers of today the author also looks at the economics of vessel operation in the context of the expanding scope of the shipping industry which was crucial in catapulting america into becoming an industrial juggernaut the captains of industry and the sailors whose labor propelled the trade populate this account which also offers solemn acknowledgment of the high cost paid in both lost ships and lives although they might not realize it millions of americans have owed their livelihoods to the great lakes boats and this volume is an excellent way to recognize the importance of this regional industry

the comfortable and beautiful boats designed by ed monk have been treasured for cruising working and living aboard since the 1920s from interviews with those who knew ed monk personally and those who own his boats today this book is in part a biography of the man and in part the story of his creations

surplus record is the leading independent business directory of new and used capital equipment machine tools machinery and industrial equipment listing over 120 000 industrial assets since 1924 including metalworking and fabricating machine tools lathes cnc equipment machine centers woodworking equipment food equipment chemical and process equipment cranes air compressors pumps motors circuit breakers generators transformers turbines and more over 1 100 businesses list with the surplus record september 2023 issue vol 100 no 9

a riotous journey through america s most controversial beautifully unapproachable and abused wilderness the florida everglades in december 2000 president clinton signed into law a 7 8 billion restoration plan for the everglades that garnered national attention and has since become america s touchstone for environmental issues enter w hodding carter a man already bemused by the state of florida and determined to see what if any progress has been made with the everglades for reasons unclear even to him this amazing remote mosquito infested hard to love region has captured carter s imagination and won t let go so for the past few years carter has examined the everglades from all angles social political cultural environmental culminating in an ungodly canoe trip through the heart of the everglades but this being hodding carter a man who sailed a viking ship dressed in serge for one book and followed in the footsteps of lewis and clark for another a canoe trip the length of the everglades is merely the tip of the iceberg stolen water finds him adopting a manatee and auditioning to be a mermaid at weeki wachee springs not enough that he reports on things he actually has to do them too often to hilarious effect in the end though his tireless reporting reveals the everglades as never before not content with merely observing he also interviews all the key players from environmentalists to sugar farmers to senator bob graham and gives them just enough rope to hang themselves always humane often controversial and highly readable hodding carter has brought to life this murky alluring place through his powerful eyewitness account and swampy mishaps stolen water is narrative nonfiction at its best from one of our most talented and funny writers

in 1963 norman clark officially opened roaring camp to the public since then it has become a popular and well known destination for tourists and rail buffs from around the world who wish to visit and ride on its 100 year old steam trains isaac graham who constructed the first powered sawmill and the first whiskey distillery in the american west settled the area in the 1840s graham was notorious for his boisterous antics and his settlement became known as a wild and roaring camp clark arrived in the area in the mid 1950s with 25 in his pocket and the dream of preserving a piece of early california clark s dream included a plan to construct an 1880s railroad town complete with an authentic narrow gauge logging railway over the last 50 years clark s dream has been continued and expanded now incorporating two railroads one of which dates to 1875
