to mark john f kennedy s centennial celebrate the life and legacy of the 35th president of the united states in july 1962 in an effort to preserve an accurate record of presidential decision making in a highly charged atmosphere of conflicting viewpoints strategies and tactics john f kennedy installed hidden recording systems in the oval office and in the cabinet room the result is a priceless historical archive comprising some 265 hours of taped material jfk was elected president when civil rights tensions were near the boiling point and americans feared a nuclear war confronted with complex dilemmas necessitating swift and unprecedented action president kennedy engaged in intense discussion and debate with his cabinet members and other advisors now in conjunction with the fiftieth anniversary of the kennedy presidency the john f kennedy library and historian ted widmer have carefully selected the most compelling and important of these remarkable recordings for release fully restored and re-mastered onto two 75 minute cds for the first time listening in represents a uniquely unscripted insider account of a president and his cabinet grappling with the day to day business of the white house and guiding the nation through a hazardous era of uncertainty accompanied by extensively annotated transcripts of the recordings and with a foreword by caroline kennedy listening in delivers the story behind the story in the unguarded words and voices of the

decision makers themselves listening in covers watershed events including the cuban missile crisis the space race vietnam and the arms race and offers fascinating glimpses into the intellectual methodology of a circumspect president and his brilliant eclectic brain trust just as the unique vision of president john f kennedy continues to resonate half a century after his stirring speeches and bold policy decisions the documentary candor of listening in imparts a vivid breathtaking immediacy that will significantly expand our understanding of his time in office

orville nix is not the typical jfk assassination book this book does not attempt to answer the question of who killed john f kennedy instead it addresses why we should question the actions of those involved and why the truth was withheld from the people though copies of orville nix s film exist the original film is missing why the fbi confiscated orville s camera for several months then returned it in pieces were these actions sinister or were they just examples of governmental incompetence orville nix exposes information about the house select committee staff s involvement in the missing film author gayle nix jackson s interviews with people who were close to orville and the film will shed light on the government s involvement with the filmmaker gayle nix jackson is the granddaughter of orville nix as his eldest granddaughter nix jackson shares experiences growing up with her beloved grandfather and on how his views changed after that fatal day hearing his story precipitated the quest jackson is still on to find the film her grandfather was there that day for a reason and if the original nix film could be located modern day technology could determine if there was indeed another person behind the stockade fence or not questions still abound today as to whether or not the film was altered finding the original nix film would answer one of the most enduring questions related to this horrific event was there a conspiracy to kill john f kennedy on november 22 1963 skyhorse publishing as well as our arcade imprint are proud to publish a broad range of books for readers interested in history books about world war ii the third reich hitler and his henchmen the jfk assassination conspiracies the american civil war the american revolution gladiators vikings ancient rome medieval times the old west and much more while not every title we publish becomes a new york times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

set against the grand panorama of twentieth century world events it captures the remarkable life and spirit of climbing and medical visionary hans kraus 1905 1966 kraus was taught english by james joyce escaped nazi dominated europe and was jfk s secret back specialist a legendary rock climber known for hair raising ascents on two continents kraus lived a life filled with tragedy and triumph intense passion verve and a whole lot of guts glory and wit one of the great unsung medical pioneers of the twentieth century kraus made headline news throughout the second half of the 1950s was a guest of honor at eisenhower s white house and was the subject of cover stories in major
