affected by various abiotic stresses which cause significant yield losses the effects of climate change also increase the frequency and severity of such abiotic stresses molecular breeding technologies offer real hope for improving crop yields although significant progress has been made over the last few years there is still a need to bridge the large gap between yields in the most favorable and most stressful conditions

this book challenges the given dichotomies between crime and harm and criminology and zemiology the main aim of the volume is to highlight the inexorable interconnectedness between systemically induced social harm and the corrosive flows of everyday crime both perpetrated and endured by those victimised by the capitalist system and its hegemonic vicissitudes drawing attention not only to various structurally imbedded harms the chapters also outline the wider consequences of such harms as they extend beyond immediate victims and contribute towards the further perpetuation of criminogenic and zemiogenic conditions comprising two parts the first explores the relationship between crime and harm and criminology and zemiology and the second explores the intersections of crime and harm through various lenses including those trained on probation global mobility sexuality and gender war and gendered violence fashion counterfeiting and the harms of the service economy an exciting and wide reaching volume written by world renowned scholars this collection is a must read for students academics and policy makers in the fields of law criminology sociology social policy criminal justice and social justice

this thematically organized reader contains original unabridged magazine and newspaper articles on fresh and timely topics

up to date and extensive revision of najder's much acclaimed scholarly biography of conrad employing newly accessible sources joseph conrad is not only one of the world's great writers of english and world literature but was a writer who lived a particularly full and interesting life for the biographer this is a double edged sword however there are many periods for which documentation is uncommonly difficult zdzislaw najder's meticulously documented biography first appeared in english in 1983 garnering high praise as the best most complete biography of conrad najder's command of english french polish and russian allowed him access to a greater variety of sources than any other biographer and his polish background and his own experience as an exile have afforded him a unique affinity for conrad and his milieu all this has come into play once again in the present extensively revised edition much of its extensive new material was unearthed in newly opened former east bloc archives there is new material on conrad's father's genealogy and his role in polish politics conrad's service in the french and british merchant marines his early english reading and correspondence his experiences in the congo the circumstances of writing his memoirs and much more in addition several aspects of conrad's life and works are more thoroughly analyzed his problems with the english language his borrowings from french writers his attitude toward socialism his reaction to the reception of his books zdzislaw najder teaches at the european academy cracow

delving into three hundred years of chinese literature from the mid sixteenth century to the mid nineteenth the libertine s friend uncovers the complex and fascinating history of male homosexual and homosocial relations in the late imperial era drawing particularly on overlooked works of pornographic fiction giovanni vitiello offers a frank exploration of the importance of same sex love and eroticism to the evolution of masculinity in china vitiello s story unfolds chronologically beginning with the earliest sources on homoeroticism in pre imperial china and concluding with a look at developments in the twentieth century along the way he identifies a number of recurring characters for example the libertine scholar the chivalric hero and the lustful monk and sheds light on a set of key issues including the social and legal boundaries that regulated sex between men the rise of male prostitution and the aesthetics of male beauty drawing on this trove of material vitiello presents a historical outline of changing notions of male homosexuality in china revealing the integral part that same sex desire has played in its culture

in historical style timothy campbell argues that the eighteenth century fashion press shaped british perception of time and history by producing new curiosity about the very recent past and a new self consciousness about the means by which the past could be understood
