to explore opportunities for greater economic cooperation between the united states and japan in third countries the center for strategic and international studies csis in washington and the asia pacific initiative api in tokyo embarked on a joint research project using a case study approach to examine four countries myanmar vietnam india and south korea and two institutional arrangements regional trade architecture and the g7 where the united states and japan have aligned interests we found that shared interests and goals of the united states and japan transcend today's bilateral trade tensions and despite china's growing influence and assertive behavior there nevertheless remains a strong demand in the region for u.s. and japanese leadership washington and tokyo should therefore work to better coordinate their economic engagement in the region

this edited volume assembles a wide array of writings by hirabayashi hatsunosuke one of 20th century japan's foremost intellectuals translated for the first time into english it begins with an introduction by the editors seth jacobowitz and aaron william moore that contextualizes hirabayashi's significance as a non-doctrinaire marxist cultural critic visionary thinker and much beloved popular fiction writer the short stories features a selection of hirabayashi's literary work including science fiction the artificial human detective fiction this is how i died and more idiosyncratic works such as demon at the pulpit an antitheist and anticlerical story the essays provides a range of groundbreaking critical and theoretical tracts that address such topics as the social basis of modernism the feminisation of culture political value and artistic value a re-appraisal of marxist literary theory film as a mechanism of americanization the technological revolution in literature and the arts and many more hirabayashi's systematic approach to cultural theory befitting the era of massification in the 1920s places him front and centre in the hothouse intellectual climate of pre-war japan it also affords striking parallels to the leading thinkers in europe such as walter benjamin and antonio gramsci thereby forming an integral part of the history of global modernity

they were able to be a blessing to others because they were intentional with the resources they were tasked to manage explore the why of giving a firm foundation on which you can build a plan to systematically give intentionally plan where to give so you don't miss out on the many opportunities discover how to give a ton without spending much money learn the basics of generosity budgeting and specific tactics for regular giving spontaneous giving and outrageous giving giving does not cost money all the time you can use your time and talents giving of yourself into people's lives genuine giving is from the heart to bless the person reflecting the giver of all good things what is significant is that god can use your thoughtful giving to change a person's life god made us in his image and he is the biggest giver of all so it makes sense to look towards god's example first so we can study his pattern of generosity then we can use his wealth the provisions he has allowed us to manage the way he has taught us by his wisdom these are not only christian financial concepts and principles these are financial truths it's time for you to recover grow and zero in on the intersection where god's wealth meets god's wisdom the intersection series includes the titles below biblical faith meets financial strategy 2nd ed how to lay a solid foundation for prosperity god's ownership meets money management how to be a good and faithful steward divine provision meets generosity planning how to live life to the fullest while richly giving and the following companion for a deeper study setting your sights on the intersection 90 day devotional journal about the book series intersection where god's wealth meets god's wisdom imagine yourself at the shooting range aiming at a target to ensure your aim is accurate you look for a calibrated point of reference there are two engraved lines to give you a single place to focus on when aiming at a target the two lines cross at this spot and create what is known as crosshairs crosshairs are composed of two wires or lines one parallel and the other perpendicular to the horizon the area that you are focused on is where the two lines intersect the objective is to align the crosshairs with the bullseye aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target when peering through the scope of your financial future the strategy is the same the two dimensions are god's wealth vertical and god's wisdom

horizontal once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently if you want to pinpoint your financial destiny you need to zero in on your target not someone else's mark the simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming the blessings come where the two lines meet get ready to manage money according to the word of god and live a prosperous life
