in this true compelling account of perseverance and hope from seahawks coach pete carroll s assistant a young journalist walks on to a top ranked usc football team and guided by his faith shares god s love launching him on an unexpected journey with an amazing outcome had anyone told ben malcolmson that he d someday be a wide receiver on the national champion usc football team after not playing football since an unfortunate fifth grade pop warner experience he would have called them crazy as a reporter for the daily trojan in the spirit of george plimpton he participated in walk on tryouts for the team and was dumbfounded to find himself listed on the roster his position on the team never amounted to much in a game time contribution

but ben felt strongly that his faith was inextricably linked to his purpose he felt called to anonymously place bibles in each usc teammate locker on christmas eve to resounding indifference and rejection from his friends it wasn't until three years later when his role at usc had led to a role with coach pete carroll at the seahawks organization that an old friend connected with ben and told him that one of the bibles had captivated the heart of a teammate in the three days before his death with a humble spirit dedicated to consistent acts of discipleship ben malcolmson is an authentic voice for the power of simple obedience and trust for what can happen when a believer allows god to work in a life walk on is the result of god using his faithful people to work in the lives of others
