the attacks of september 11 2001 changed the way the world looks at islam and rightfully so according to m a khan a former muslim who left the religion after realizing that it is based on forced conversion imperialism and slavery the primary demands of jihad commanded by the islamic god allah in this groundbreaking book khan demonstrates that prophet muhammad meticulously followed these misguided principles and established the ideal template of islamic jihad for his future followers to pursue and that muslims have been perpetuating the cardinal principles of jihad ever since find out the true nature of islam particularly its doctrine of jihad and what it means to the modern world and also learn about the core tenets of islam and its history the propagation of islam by force and other means islamic propaganda arab islamic imperialism islamic slavery and slave trade and much more the commands of allah are perpetual in nature so are the actions of prophet muhammad jihad has been the way to win converts to islam since its birth fourteen centuries ago and it won t change anytime soon find out why in islamic jihad

in this series maulana wahiduddin khan has presented the fundamental teachings of islam in a simple way this pamphlet can be effectively used as a dawah tool

it is now more than forty years since these sermons were delivered but throughout all these years this great valuable work the general pattern of islamic thought in the quran remained unpublished when the young hojjat al islam sayyed ali khamenei began these series of sermons at the half built imam hassan mojtaba mosque in mash had for 28 sessions in the month of ramadan 1394 1975 the city of mash had acquired a different atmosphere the sessions were held following noon prayers in the heat of summertime when people usually went to their houses to rest for a couple of hours yet in a locality in

this city many people young and old were on the way to attend khamenei s unique lectures if you could look at the audience you would notice that many people belonging to different social strata theology students high school pupils university students shop keepers local residents both men and women especially young ones all attended these sessions medical students had managed to hire two buses to transfer them from the vicinity of the university to this mosque in khamenei s lectures everything is different from traditional spiritual sermons everyone is given one or two photocopied pages containing a summary of topics to be discussed in the session the lecturer delivers his speech while standing g on a fasting day and after the end of the lecture a fine sounding quran reciter chants the relevant quranic verses discussed already khamenei s sessions really resembles an educational class room rather than a traditional preaching

examining the process of abolition on the island of pemba off the east african coast in the late nineteenth and early twentieth centuries this book demonstrates the links between emancipation and the redefinition of honour among all classes of people on the island by examining the social vulnerability of ex slaves and the former slave owning elite caused by the abolition order of 1897 this study argues that moments of resistance on pemba reflected an effort to mitigate vulnerability rather than resist the hegemonic power of elites or the colonial state as the meaning of the swahili word heshima shifted from honour to respectability individuals reputations came under scrutiny and the islamic kadhi and colonial courts became an integral location for interrogating reputations in the community this study illustrates the ways in which former slaves used piety reputation gossip education kinship and witchcraft to negotiate the gap between emancipation and local notions of belonging

islam and contemporary civilisation examines the most complex debates and dilemmas facing islam today both internally and in its relations with western civilisation halim rane provides a concise and comprehensive introduction to islam and modern developments in muslim thought and tackles questions of islamic law human rights democracy jihad and the israel palestine conflict in the context of islam west relations in confronting these challenging issues rane proposes a way forward that has far reaching implications for advancing mutual understanding and finding common ground between the muslim world and the west

the ebook editions of this book are available open access under a cc by nc nd 4 0 licence on bloomsburycollections com open access was funded by islamic publications ltd the huthi rebels in yemen are a resistance movement going back decades their coup against yemeni president abdrabbuh mansur hadi in 2015 and the subsequent yemeni civil war and the intervention of the arab coalition in support of hadi has brought absolute devastation to the country but who are the huthis and how can we understand the group away from armed conflict and war what has motivated their social movement to fundamentally re shape yemen and what are the group s local and regional ambitions this book provides the first comprehensive critical analysis dedicated to the huthis across four parts and 17 chapters the book examines how the movement is challenging traditional religious authority re shaping tribal values and roles in yemen constructing new collective memories and identities and infusing yemen s mediascape with their ideological creed in examining the movement s specific ways of thinking and beliefs the book also highlights its foreign policy within a regional policy of resistance to the united states and it points towards what its impact on both yemen and the security of the arab gulf region will be the book brings together the leading experts on yemen from diverse disciplines to provide readers with a nuanced and multi layered approach to understanding the huthi movement

in islam and sustainable development odeh al jayyousi addresses the social human and economic dimensions of sustainability from an islamic perspective islam is sometimes viewed as a challenge threat and risk to the west but here we are reminded that the celebration of cultural diversity is a key component in islamic values promoting common understanding between east and west this american educated middle eastern based author offers something broader and deeper than conventional western ways of thinking about sustainability and presents new insights inspired by islamic

worldviews drawing on his roles as both academic researcher and senior development practitioner professor al jayyousi applies his deep understanding of islamic values to contemporary environmental financial and social conflicts and crises and defines a framework for sustainability embracing local regional and global perspectives he also addresses how education might produce innovation knowledge creation and development to support a new paradigm for sustainability that re defines what constitutes good life beyond consumerism and the production of waste this book will interest policy makers development and donor communities funding agencies and banks in the islamic world and beyond as well as those with a professional interest in planning and in environmental and conservation issues scholars of islamic and middle eastern studies and more broadly those with an academic interest in cultural and religious studies will find that this book in gower s transformation and innovation series is perhaps the most substantial work yet on sustainable development from an islamic perspective
