mystic teacher and therapist dr joseph randolph bowers reveals the secrets of solitary life contemplation and enlightenment like a master weaver and guru dr bowers teaches the reader how to experience relief from suffering and how to attain awakening in freedom mindfulness and true joy seekers on the way will want to learn how to create your own rule of life and how to nurture life long vow practices that grow with you and that match your values and aspirations be forewarned this knowledge of the ages can change you forever made for the western mind this is a modern secular synergy of christian franciscan buddhist hindu mi kmaq first nation science and zen traditions solitude awakens the heart forest mountain way is like a modern lotus flower sutra of the bodhisattva of compassion in a clear and practical wisdom

stories are everywhere around us from the ads on tv or music video clips to the more sophisticated stories told by books or movies

everything comes wrapped in a story and the means employed to weave the narrative thread are just as important as the story itself in this context there is a need to understand the role storytelling plays in contemporary society which has changed drastically in recent decades modern global society is no longer exclusively dominated by the time tested narrative media such as literature or films because new media such as videogames or social platforms have changed the way we understand create and replicate stories the handbook of research on contemporary storytelling methods across new media and disciplines is a comprehensive reference book that provides the relevant theoretical framework that concerns storytelling in modern society as well as the newest and most varied analyses and case studies in the field the chapters of this extensive volume follow the construction and interpretation of stories across a plethora of contemporary media and disciplines by bringing together radical forms of storytelling in traditional disciplines and methods of telling stories across newer media this book intersects themes that include interactive storytelling and narrative theory across advertisements social media and knowledge sharing platforms among others it is targeted towards professionals researchers and students working or studying in the fields of narratology literature media studies marketing and communication anthropology religion or film studies moreover for interested executives and entrepreneurs or prospective influencers the chapters dedicated to marketing and social media may also provide insights into both the theoretical and the practical aspects of harnessing the power of storytelling in order to create a cohesive and impactful online image

sociological perspectives can be used to analyse societal and structural influences on human behaviour at individual group and community levels the authors link sociological concepts debates and theories relating to key areas such as poverty social exclusion education social class and social justice to develop your students understanding of how sociological perspectives will impact upon their social work placements and practice this book begins by taking you step by step through the ins and outs of why sociology is important to social work it explains the relevance of sociology to everyday social work practice introducing you to the core sociological perspectives that you ll need to get to grips with during your course including functionalism marxism symbolic interactionism and postmodernism the book then moves on to explore various social issues in detail i e poverty social class social exclusion education moral panics with extended case studies activities and links to skills in practice illustrating the many opportunities and challenges that each aspect brings to everyday practice there are also important chapters on family community and the role of sociology in social work training

as the neo liberal marketization of citizenship and the resulting processes of individualization proceed debates on citizenship tend to flounder in outmoded ideological oppositions by examining concrete cases and processes that accompany contemporary practices of citizenship this volume brings analytical clarity to contemporary debates about citizenship the state the market and the forum are analysed as competing fields of citizenship practice and it is their complex relationship which helps us to understand the role and function not only of the debate on citizenship but of the institutions and practices of citizenship itself in the contemporary world

strong social policy is essential for sustainable growth this book is an extremely useful overview of social policy issue for policy makers and anyone who wants to understand the true roots of successful sustainable development ian johnson vice president for sustainable development the world bank throughout the world issues of social development have now taken centre stage there is no more comprehensive and readable guide to the choices and conflicts of this global drama this book is essential reading for all students and practitioners of social development and for every world bank economist david piachaud professor of social policy london school of economics this much needed textbook fulfils a major gap in providing a complete up to date guide and introduction to the increasingly important role of social policy in the context of development processes and practice across a number of key sectors and areas of social policy concern the authors accessibly introduce and explain the main conceptual debates the most recent policy discussions and provide applied examples to illustrate the latest developments in the social policy and planning field central topics covered include poverty rural development urban development education health social work social welfare international development and cooperation social policy for development is an essential text for all students and practitioners alike seeking a deeper understanding of the issues of poverty social exclusion and deprivation across social policy and development studies internationally

the increasing focus on children's welfare has given rise to tremendous growth in the field of child psychology and the past decade has witnessed significant advances in research in this area

sociology discovering society 2nd provides comprehensive coverage of sociology in an affordable paperback format with research studies in every chapter and boxes that portray sociologists at work it will especially appeal to sociology professors who value a quantitative research methodology oriented approach instead of presenting every possible theory for each issue stockard's streamlined approach pulls in theories only when they appropriately relate to the issue at hand this integrated approach produces a text that reads more smoothly than the overly encyclopedic heavily interrupted narratives of other texts
