the scm studyguides are becoming increasingly well known recognized and adopted as accessible textbooks for level 1 students who have no prior knowledge of the

subject the scm studyguide early christian doctrine and the creeds offers an accessible stimulating and interactive guide book to the emergence of christian identity with particular attention to the earliest form of the christian thought and doctrine the author analyses the crucial statements of the early creeds and rules of faith he explains the creedal statements on the nature of god creation incarnation redemption the church and eschatology and outlines the theological context which influenced their formulation and later modifications by other texts and authors the creeds are part of the heritage of all christian tradition and therefore have to be studied by both theological students and in the context of education for discipleship modules

the end is near while these often seem to be the words of insane rambling they can also be a sensible presentation of truth acknowledging that what is yet to come is beyond the scope of our wildest projections pastor and scholar erwin lutzer reminded us in the king is coming that we have not been left completely in the dark now small groups can grapple with the content of the king is coming together through this study guide experience this guide provides answers for those questioning what comes next and empowers and instructs participants to live accordingly in the here and now the king is coming study guide is supplemented by the king is coming dvd which provides accompanying teachings by pastor lutzer for a full small group experience

like many other people the long tradition about hell has been a source of serious confusion and distress for me over the past six years or so i was relieved to discover two other alternatives that are also part of the christian tradition though less prominent universalism and the subject of the present book conditional immortality universalism that everyone would eventually be saved did not in the final analysis seem to really come to grips with the overwhelming scriptural testimony that some kind of radical fateful decision is possible to people conditional immortality that people who absolutely refuse god s plan for them will be taken out of existence seems to me the best scriptural understanding of what the lord meant by losing one s soul not everlasting punishment but the withdrawal of existence this book is an attempt to explain this theological theory it is not presented as a definite dogma or teaching of the church but as one of the possible results of a persistent and irrevocable decision against god
