from one of the leading literary critics of his generation comes the first of edmund wilson s three novels i thought of daisy published together with his short story galahad set in greenwich village in the 1920s edmund wilson s i thought of daisy tells the coming of age story of a young man living a bohemian life and of his heartfelt relationship with a chorus girl he meets at a party fictional sketches drawn from real life literary figures are scattered throughout including john dos passos and wilson s lover edna st vincent millay also included in this volume is wilson s short story galahad about the sexual awakening of a young boy at prep school what needs to be said is how good if ungainly daisy is how charmingly and intelligently she tells of the speakeasy days of a greenwich village as red and cozy as a valentine of lamplit islands where love and ambition and drunkenness bloomed all at once the fiction writer in wilson was real and his displacement is a real loss john updike

a young man leaves his bohemian lifestyle in greenwich village to pursue the chorus girl he loves

factory records has become the stuff of legend the histories of the label have been told from many perspectives from visual catalogues and memoirs to exhibitions yet no in depth history

has ever been told from the perspectives of the women who were integral to factory s cultural significance the untold history of factory records is one of women s work at nearly every turn recording music playing live gigs running the label behind the scenes managing and promoting bands designing record sleeves making films and music videos pioneering sound technology djing and running one of the most chaotic clubs on the planet the hacienda told entirely in their voices and featuring contributions from gillian gilbert gina birch cath carroll penny henry and over fifty more interviewees i thought i heard you speak is an oral history that reveals the true cultural reach of the label and its staying power in the twenty first century

description this is who i thought i would be i knew i would be able to write a small book after my second breakdown but i am not very good at wording things but i have tried my best these false beliefs went on until my fifth breakdown i am not a nutter and i am not mad i just wanted to share my experiences with people that have had similar experiences in life by writing this book i thought i would find out where the king of scotland really came from and put an end to all these false beliefs i have been through a long and painful journey having bi polar disorder then being wrongly diagnosed more than once then being back to bi polar disorder again i have had five nervous breakdowns since 1995 and lost my family and friends it took me two years after my breakdown to regain my confidence again and get my life back together after drinking heavily in the past and suicide attempts and over spending money i never thought i would get married again and have a new family and friends i hope the experiences that i have shared with you will be helpful to fellow service users professionals and people out in the community to help with the stigma of mental health i want people to understand more about mental health problems about the author born on the 21 of october 1961 in a place called kilwinning in scotland two years later my parents wanted a fresh start in england to a place called thringstone on the scottish estate in a two bedroom flat in 1971 my parents separated a few years later i left school with no qualifications and got a job working for british coal at snibston colliery in 1985 i got married and three years later we had a daughter in 1993 i took redundancy i was out of work for a year then i started drinking heavy in 1994 a got a job with a local firm i started to feel unwell and in january 1995 i was taken into carlton hayes hospital with my first nervous breakdown at the age of thirty three my marriage lasted nearly ten years then we separated since then i have had another four breakdowns in that time in and out my bi polar episodes i ve done eleven years voluntary work i first started with the befriending scheme for seven years and then went onto the peoples forum and that s were i started for leicestershire partnership trust so now i go onto the wards every two weeks and listen and try and help other service users then i put in for peer advocacy worker for lamp and got the job then went on a course for seven weeks then on the twenty eighth of february 2008 i got my certificate of achievement for successfully completing the peer advocacy training course my life couldn t get any better i feel like i am putting something back and helping people who have been in the same situation as me now i am on the wards at the bradgate unit twice a week for two hours it will be a journey for me my hobbies are walking three times a week and playing snooker once a week with a friend

these are the recollections of ragtime bob darch 1920 2002 told in his own words and transcribed by his longtime friend steve spracklen bob begins by recalling his life from childhood in detroit through his college years and then service in world war ii as an army paratrooper and in the korean conflict as an alaskan post engineer then he recounts his nearly six decades as an itinerant ragtime piano player sharing stories as only bob could tell them of the many celebrities with whom he worked and the countless tales of his experiences on the ragtime trail bob entertained his audiences with music and stories of ragtime past and present he was not encumbered by facts he had a story to tell bob died in 2002 at the age of 82 and he is buried in sedalia missouri where he often said his style of classic ragtime music began march 31 2020 marked the centennial of his birth and like he said of ragtime bob s legacy isn t dead it isn t even sick

today's CEO must be a global leader who also understands that parts of the business must be managed locally someone who sets a strategic vision though industry and technology disruptions will surely threaten that vision someone who must live in the future to go to the future while continuously creating economic and social value not an easy task harder than I thought is a fictional narrative that puts this increasingly complex job in context by enabling you to walk alongside Jim Barton the new CEO of Santa Monica Aerospace as he steps into the role Barton's story developed in consultation with seasoned real-life CEOs contains crucial lessons for all leaders hoping to master the new skills required to move into the C-suite

In this chaotic world that we live in the author has learned to look and listen for angels at all times she has found that from the simplest of events extraordinary things have come about she takes the reader on her different journeys and show you that whether it be faith or fate that angels do exist and that the angels that come to her are in human and animal form so take a little journey and learn and maybe you too can learn to listen and see the angels all around us every day the author's stories of hope caring love faith or fate have all come together to show the author how circumstances of chance meetings with people or animals can lead to extraordinary things she will relate to you that angels not only are everywhere but that not only can they be seen but heard share some of the stories here and learn how to listen and look for the small events in your life that may change yours as it changed hers

This is the story of a little girl born on the lower east side in New York City of immigrant parents from Austria and Germany an artistically talented woman who overcame her losses at an early age and developed her talents with her tenacity and determination how and why she became known as Sally the celebrities and political figures she met and interacted with during the course of her career her travels abroad with the dazzling experiences and humorous incidents no one else could have experienced a fascinating career in the fashion world of 7th Avenue in New York City at the height of its fame the partnership which developed into a lasting friendship creating the very successful manufacturing company of women's one-of-a-kind gowns Amoureuse Couture started on her living room floor with just 2000 and its eventual demise as a result of the garment worker's union experience it all with the exciting picturesque and emotional overtones that can only be told by Sara Beatrice Sober

I gave the book the title I Thought I Was Doing Well Until because from the age of five years old that was how I felt until I faced the reality that I was living a lie my story started on April 28 1996 when unexpectedly and supernaturally Jesus appeared to me and touched me when Jesus said follow me I followed him without any hesitation and converted from Islam to Christianity the book is a synthesis of my journey of discovering the Trinity the Godhead you will walk with me through the steps which my studying of the Bible took me to know God as a Father the divinity of Jesus as God and man and the fellowship of the Holy Spirit there was never a dull moment in my journey during which I witnessed how God worked miracles in my life how He showed me that there is a beauty in brokenness and how took me from a place of despair and hatred to hope and love one of the significant outcomes of my studies is the shifting of my perspectives from seeing life from my own human finite microscopic lenses to God's infinite telescopic lenses

This rich and multifaceted collection is Grace Paley's vivid record of her life as close to an autobiography as anything we are likely to have from this quintessentially American writer just as I Thought gives us a chance to see Paley not only as a writer and troublemaker but also as a daughter sister mother and grandmother through her descriptions of her childhood in the Bronx and her experiences as an antiwar activist to her lectures on writing and her recollections of other writers these pieces are always alive with Paley's inimitable voice humor and wisdom
