why many bad things happen to good people the problem are you one of the many victims of an unbroken curse today countless christians throughout the world are

plagued by unexplained poverty calamities and a variety of adverse circumstances their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation physical and mental illness and a myriad of catastrophic events usually they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families some of the causes hatred and jealousy trespassing on the devil's territory handling unholy things inherited curses breaking vows to god the solution the bible specifically instructs every believer to avoid curses and to recognize and break them yet an astonishing number of bible believing christians have either not read or do not remember these essential spiritual principles thus many believers live under the affliction of unbroken curses this book will show you the necessary biblical steps to recognize prevent and break every type of curse

stand and deliver is a practical manual for deliverance ministry it is designed to present usable instruction for the conduct of deliverance ministry christian religion

this book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership modern psychology with its theories of human behavior which does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership this book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment it highlights an area that has not been widely studied by leadership researchers to date the dynamic relationship between the psychological and spiritual domains in shaping the dark side which lead to leadership failure and derailment this book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership inseparably relating body soul and spirit as they function individually and relationally it highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions such a theoretical perspective would help us better understand how personality

disorders develop not only emotionally and psychologically but spiritually

255 pages please note this is the second edition of the book third editions are now available in two separate books one on spiritual warfare principles and another on christian deliverance principles third editions are extensively revised and updated versions due to reader recommendations on additional content to go to the third editions please click on the author s name above or click on the appropriate book title link above depending on which page you re on

much in the church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical this book critics spiritual warfare teaching comparing it to the bible and offers a biblically reasoned discussion on spiritual warfare

when we look around us we find so much suffering in the world that we cant help but ask why long time ago god in hosea 4 6 lamented that his people were being destroyed for the lack of knowledge his people are still being destroyed today the question again is why in john 10 10 jesus said the devil comes into our lives not to do anything but to steal kill and destroy as believers jesus has given us the authority over all the powers of the thief murderer destroyer and our real enemy satan also known as the devil somehow we seem to have forgotten our spiritual heritage our spiritual rights and responsibilities and therefore the devil has taken undue advantage of our ignorance this book along with the companion end time spiritual warfare prayer book target or weapon the prayer book provide instructions on how to stand on the word of god to help you vanquish the controlling spirits in your life let these prayers be part of your daily spiritual exercise standing on the word of god causes a shaking in the spiritual realm on your behalf because god backs his word and watches to perform it

this text considers the important transnational character of pentecostal movements in africa and latin america and their tendency to foster identities that transcend national

and cultural contexts

this is a call for the church to arise and take their place in the ranks of the lord and encouragement to go forth in the name of jesus not fearing any tactics of the enemy and to take back what the enemy has stolen it is uplifting and encouraging and i have brought over 25 years of ministry and warfare in the spirit combining it with the prophetic also an emphasis on dreams and what they can mean

there are certain spiritual truths you should know before you start dating having sex or start thinking about marriage ignorance of spiritual matters may become a source of problems for you and your descendants currently our sexuality is under tremendous attack spiritual marriages to demonic entities have become a source of hidden problems in our relationships nothing in this world happens by chance not with god nor the devil in the realm of the spirit there are no accidents people who allow events in their lives to pass without connecting them to spiritual issues not only don't understand what is happening to them they also can't do anything to change their world this manual along with the companion books killing me softly dad and mom pray for me prepare the way will help and equip you to trample and overcome evil enforcers assigned to steal kill destroy or truncate your destiny and that of loved ones your marriage your family and your home in the mighty name of jesus amen

this is not abstract this is about a real person with real problems who found workable solutions people of faith and a variety of readers will see the potential of a transformed life beyond their capacity to imagine

answers to many controversial issues according to god's word this book will knock your socks off why because this book shares with you biblically researched rightly divided truth and answers according to god's word regarding all controversial issues you name the issue it is probably discussed in this book from ufo's to abortion to angels to ghosts curses secret societies tattoos and what all the holidays represent

witchcraft and exorcism have long been dominant features of life in african cultures

this unique book provides a thorough field research based description and analysis of a specifically pentecostal christian response to these phenomena within the akan culture of ghana anthropological studies generally claim that the ultimate goal of exorcism is modernisation using interdisciplinary studies with a theological focus the author takes a different view arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry where the focus is to identify and break down the so called demonic forces by the power of god and to deliver people from their torment the deliverance ministry is one attempt to contextualise the gospel for african people however preoccupation with demonisation and exorcistic practices is found to bring christianity into tension with the akan culture family ties and other religions in order to develop a properly safeguarded ministry of exorcism in an african context the author examines contextualisation and suggests the integration into african christianity of divinatory consultation which has strong resonances with the biblical concept of prayer

the book deals with ancestral worship practiced by many people in african countries it covers the origin of the worship and the subsequent consequences for those practicing it beginning with the creation the book highlights and gives information regarding lucifer and the spiritual realm it also touches upon the roles of angels and demonic spirits and the unseen world or realm of the spirit after dealing extensively with the unseen world the realm of the spirit and lucifer s subsequent fall the book then focuses on some of his ruthless and wicked characters being used today against human race the core of the book ancestral worship is covered just after the description of the characters mainly to enable the reader to understand the origin and the ploy of using ancestral worship as a tool to harvest souls for eternal destruction away from the almighty god

rev ann f r cutler s personal healings and miracles

people are all so hurt and broken we want peace and joy that is supposed to come through jesus christ but wonder why we are so miserable and full of chaos and

turmoil many assume this is just christianity that this is all jesus is so what is the point of giving my life over to this we need answers on how to seek jesus and truly find him and how to fix what is broken inside we need to learn how to apply the principles of scripture to our lives so that we can truly be free rather than looking to all the other things of the world christianity has been so skewed over the last several generations that it is hardly recognized the church rarely calls out and exposes satan and never teaches how to fight we are told not to give him place in our lives yet are not taught how to keep him from having a place in our lives this book is a raw look at the truth of scripture that got jesus crucified we need to relearn the word of god and break the strongholds of lies that have been put upon us it is time we get back to basics of scripture and learn christ s truth the way he intended it to be he loves you so much and cannot wait to show you you matter you have purpose are you ready for the truth

she shows that in narratives about a sacrifice a father s relationship to his son is described as shared blood whereas texts about women accused of giving birth to monstrous children define the mother s contribution to conception in terms of corrupted often menstrual blood
