This is truly an unforgettable read. Author Bio: Pastor David Robertson and his wife Linda currently live in Okeechobee, Florida. Serving with Honor is a book about ministry but more importantly it's a book about a form of integrity sorely lacking in today's self-centered church. While the focal point of *Serving with Honor* is discovering and reaching one's personal calling and destiny, the how-to part will provide eye-opening revelation regarding several principles that modern-day Christians seem totally ignorant about. At times this book will hit nerves and touch many sensitive issues but at all times the scriptures form the foundation of this sorely needed guidebook on serving God's kingdom with honor and reaching one's personal destiny. In the process, many people today are flight risks in their local churches, quick to find greener grass. They forfeit their destinies for a feel-good temporary solution to the pressure of balancing family life with ministry duties. In his book *Serving with Honor*, Pastor Andrew Robbins calls the church to accountability for her actions. Andrew challenges us to not forsake the process that God is taking us through by aborting God's overall plan for our lives. This book is challenging, convicting and a great comfort to those of us who still believe in the local church. Pastor Randall Burton, Northview Church, Columbus, is founder and president of Zebulun Inc. and author of the book *River Rising*.
