the jubilee bible dictionary concordance is a companion resource that enhances the study of the holy scriptures by guiding the reader in discovering the meaning and significance of proper greek and hebrew names as well as important words used throughout the bible while the reader will find this dictionary and concordance applicable to nearly any english version of the bible the concordance is especially effective when studying the jubilee bible jub this is because the translation of the jubilee bible stands apart from most other versions printed since the beginning of the last century in the jubilee bible jub the usage and context tends to define each key word so you don t have to blindly rely on theological dictionaries or reference materials that may wittingly or unwittingly include any type of prejudice or bias careful attention has been made to properly and consistently translate each key word through the first usage and on through to the last avoiding the use of synonyms then as a given word makes its way across the old testament and you make the correct match with the corresponding greek word in the new testament an amazing pattern emerges the jubilee bible is the only translation we know of that has made a serious attempt to mate each unique hebrew word and subsequently its greek equivalent with a unique english word using the common english of william tyndale and the extraordinary hebrew scholarship of casiodoro de reina of the early reformation so that the usage and number of occurrences of each key word sets forth the idea of what god means by each word as defined by the actual context in scripture

the new edition includes more than 4 800 resources available at more than 10 000 internet sites that provide information on a range of biblical study topics including bible translations in english and other languages audio translations of the bible in english and other languages commentaries dictionaries and other resource materials including ones in greek hebrew and other ancient languages the author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself in cases when ten or more resources are listed

on a single web page the author has assigned the web page a three digit code the code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter in adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use

the gospel of mark speaks of the son of god who will soon return and manifest an incorruptible kingdom that differs greatly from the kingdoms of men when jesus said that his kingdom is not of this world some were very disillusioned they did not understand that jesus came to announce a very different kingdom which he started by planting an incorruptible word for he is the living word of god over the long history of the church many have made and are still making tragic mistakes as they attempt to take over the corrupt kingdoms of this world in the name of god jesus was ordained by god and approved by god he had no human credentials no certificates from herod or the sanhedrin or the high priest and he gave no written diplomas to his apostles at the last supper jesus said verily verily i

the houses of israel and judah dominate the scriptures from the time of king david until they both were sent into captivity each house had a destiny to fulfill these destinies are being worked out today what drives the destiny of these houses the birthright is a term that many in the church are aware of but without an understanding of its presence throughout the scriptures it is manifested as the dominion mandate and the fruitfulness mandate through the houses of israel and judah what are the implications for the coming kingdom of god and the sons of god we cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish god s heart and plan for the last days this study will challenge each person to be teachable and open to another perspective of god s plan for redemption god will reveal his plan for you and your place in his coming kingdom god is maturing his believers to rule and reign with him

i love a good fight when unjustly attacked i have learned to seek the guidance and leadership of the holy spirit and retaliate by overcoming evil with good there is a huge difference between a peacemaker and a pacifist this battle plan for spiritual warfare gleaned from the life and message of jesus especially the sermon on the mount and the beatitudes was on my heart even before i was kidnapped by terrorists and held hostage under extreme conditions in 1983 since then thousands of missionaries pastors and other christians have been kidnapped murdered or forced to flee from their places of ministry in rural colombia had these christians known and understood this battle plan for spiritual warfare they could have been victorious instead of prematurely suffering defeat many who did choose to remain in the path of ever present danger have rallied around this message a thriving underground church is multiplying in a huge area about the size of north korea in the south and east of colombia where bibles church buildings formal ministry and even house meetings have been prohibited for more than 25 years severe persecution in rural colombia has actually served to bring real christians together in deepening christian relationships identify the true church and cleanse believers from corruption this has been possible because of the remnant that has been chosen to fight the good fight of faith

at the time the lord brought elijah on the scene the kings of israel and judah were in serious trouble with the lord their many years of worshiping baal and golden calves listening to jezebel and killing the prophets was catching up to them their earthly kingdoms were coming to an end and the lord would move quickly when he moved what appeared to be harmless details to them was in fact rebellion in the sight of god while the kings served the gods of this world elijah and elisha did not rather they were dedicated only to the word of the lord and if the lord didn't speak directly to them they didn't move at all when they did move it was with the power and authority of the lord resulting in the dramatic calling down of fire from heaven a three year drought people raised from the dead and many other miraculous events but did elijah and elisha take any glory no elisha didn't even accept naaman's token of appreciation so completely was he relying only on the lord's provision the lives of elijah and elisha as well as the corrupt lives of the kings serve as important lessons for us today in addition there are many prophecies in 1 and 2 kings that are now being fulfilled in fact the entire account is filled with living parables that are relevant for today the last chapter of 1 kings ends with the prophetic ministry facing serious jeopardy the first chapter of 2 kings opens with an awesome supernatural vindication of god's prophet even elijah seems to have been unaware of exactly when the timeline went past a tipping point into a new day in which the true prophets were never forced to retreat we seem to be approaching a similar tipping point today your own life will be changed forever if you heed the truth that the lord reveals to you in this book

two things are quintessential to the book of revelation the heart of jesus and the heart of unconverted natural man these are contrary to each other yet need not

be difficult to understand or identify jesus referred to himself as both the son of god and the son of man because he had come in flesh to redeem us from the curse later john stated that every spirit that does not confess that jesus christ is come in flesh is not of god and this is that spirit of antichrist of which ye have heard that it should come and that now it is already in the world 1 john 4 3 in revelation jesus through john takes this into much greater detail so that we can grasp the principle of what antichrist means and how it could already be in the world in john s day of course any discussion of the antichrist also necessitates discussion of the beast and the mark of the beast this is because the antichrist and the beast are inseparable in god s eyes unconverted natural man is a beast and the mark of the beast is the nature of the beast which is also the nature of antichrist if we can understand this fundamental precept our ability to understand the book of revelation becomes greatly expanded the only other requirement is that we have a clean heart before god sadly many commentaries on revelation ignore the need to have a clean heart in order to survive what s coming in quintessential revelation understanding the heart of jesus in the imminent day of the lord author russell m stendal shows us how the unconverted natural man a k a the flesh that man of sin the beast or antichrist as well as the devil all share the same essence and fate on the other hand the father son and holy spirit along with those who are written into the book of life also share in eternal essence and an eternal fate digging deep into the signs the wonders and the prophets the author helps us discover the genuine christian s role in the soon to be fulfilled book of revelation
