a career in the entertainment industry is often colorful but seldom as fulfilling as we are led to believe by the media moguls who glorify the highs and lows of celebrities as they live out their lives in the public eye only a tiny percentage of those entering this industry attain the dizzy heights they

dream of and many fall by the wayside without causing a ripple in this vast ocean we call showbiz martin andrew s story tells a tale of one man s journey from a small town in rural england to the bright lights of las vegas and beyond it is not a story of success or failure but rather one of passion determination and survival as he embarks on the road to the manor

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

lou reed made it his mission to rub people the wrong way whether it was with the noise rock he produced with the velvet underground in the late 1960s or his polarizing work with metallica that would prove to be his swan song on a personal level too he seemed to take pleasure in insulting everyone who crossed his path how did this jewish boy from long island an adolescent doo wop singer rise to the status of godfather of punk and how did he maintain that status for decades dirty blvd the first new biography of reed since his death in 2013 digs deep to answer those questions

and along the way it shows us the tender side of his prickly personality born in brooklyn reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the velvet underground under the aegis of andy warhol the cult of personality surrounding his transformation from downtown agent provocateur to phantom of rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona the lives of many american rock stars have had no second act but reed s did dirty blvd not only covers the highlights of reed s career but also explores lesser known facets of his work such as his first recordings with doo wop group the jades his key literary influences and the impact of judaism upon his work and his engagement with the lgbt movement drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert footage and unreleased bootlegs of live performances author aidan levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote heroin sweet jane walk on the wild side and street hassle songs that transcended their genre and established lou reed as one of the most influential and enigmatic american artists of the past half century

featured here is the remarkable story of an unlikely artistic collaboration between boys who live in a residential facility and men who lived in a maximum security state correctional facility and the eight mile long mural they created
