humans have the capacity to detect and experience a wide spectrum of emotions in everyday life however the ability to identify and interpret those emotions is not a skill commonly held by all individuals despite the significance of this skill promoting trait

emotional intelligence in leadership and education provides the latest information on enabling educators and leaders across industries to monitor the emotions of others as well as their own in order to interact effectively with others focusing on best practices and methods for training those in education and leadership positions this publication is essential to the research needs of education administrators professors managers and professionals in various disciplines

community public health nursing is designed to provide students a basic grounding in public health nursing principles while emphasizing aggregate level nursing while weaving in meaningful examples from practice throughout the text the authors coach students on how to navigate between conceptualizing about a population focus while also continuing to advocate and care for individuals families and aggregates this student friendly highly illustrated text engages students and by doing so eases students into readily applying public health principles along with evidence based practice nursing science and skills that promote health prevent disease as well as protect at risk populations what the 8th edition of this text does best is assist students in broadening the base of their knowledge and skills that they can employ in both the community and acute care settings while the newly enhanced ancillary resources offers interactive tools that allow students of all learning styles to master public health nursing

leonard meldert s primo libro de madrigali a cinque voci venice 1578 has an interest and musical quality far beyond what one might guess from the modest facts of the author s life and works the book partly reflects the musical tastes of the court of urbino in the final years of duke guidobaldo ii della rovere 1514 74 and of the private household of his brother cardinal giulio della rovere 1533 78 but its structure and contents display some unusual features that can be linked to the circumstances of meldert s life and to his own initiative in projecting and assembling his book of madrigals moreover it offers the first settings of then recent poems by torquato tasso giovanni battista guarini and giuliano goselini the result of the composer s personal contacts in the court of ferrara and his ties to the literary and musical circle of antonio londonio a milan based spanish diplomat

this edition presents the primo libro for the first time in a modern edition examining meldert s textual choices and musical style within the contexts of courtly life his personal biography and the nascent seconda prattica

an argument settler and starter for civil war buffs who want to know which side had the better soldiers armies south armies north definitively compares the military forces of both sides civil war buffs are always arguing over which side had the better soldiers armies south armies north by alan axelrod helps readers reconsider their understanding of america s most harrowing war axelrod is the author of more than one hundred books with a passion for military history and leadership each chapter of his new book compares the military forces with both quantitative and qualitative measures axelrod analyzes the equipment the leadership and strategies and the men who fought in each army with additional focus on lesser known flash points during the war

in 1884 when albert o marshall published army life a memoir of his service as a private in the thirty third illinois regiment twenty years had passed since his 1864 discharge marshall left the journal untouched at publication and today it is a journal that is rare in what it is not this memoir is not a complete story of the thirty third known as the normal regiment because many of its soldiers were from illinois state normal university nor is it a complete roster of regiment members nor a list of killed and wounded army life is not even a purely military account written from an officer s point of view it is the story of a twenty year old private whose engaging writing belies his age but also allows his youth to shine through marshall tells of the battles he fought and the games he played of his friends fellow soldiers and officers and of the regiment s activities in missouri and arkansas at vicksburg and in louisiana and on the texas gulf coast enhanced with careful editing and thorough annotations this journal marshall carried faithfully to every mustering out is a rich and important civil war memoir

describes the operations of the missouri militia units including rosters of officers and general orders
