 lewis carroll 1865 there seemed to be no use in waiting by the little door so she went back to
 the table half hoping she might find another key on it or at any rate a book of rules for shutting

people up like telescopes this time she found a little bottle on it which certainly was not here before said alice and tied round the neck of the bottle was a paper label with the words drink me beautifully printed on it in large letters

alice

drink me

it was all very well to say drink me but the wise little alice was not going to do that in a hurry no i ll look first she said and see whether it s marked poison or not for she had read several nice little stories about children who had got burnt and eaten up by wild beasts and other unpleasant things all because they would not remember the simple rules their friends had taught them such as that a red hot poker will burn you if you hold it too long and that if you cut your finger very deeply with a knife it usually bleeds and she had never forgotten that if you drink much from a bottle marked poison it is almost certain to disagree with you sooner or later

alice in wonderland retold in words of one syllable by carroll and gorham 1905 there seemed to be no use to wait by the small door so she went back to the stand with the hope that she might find a key to one of the large doors or may be a book of rules that would teach her to grow small this time she found a small bot tle on it which i am sure was not here just now said al ice and tied round the neck of the bot tle was a tag with the words drink me printed on it

al ice drink me it was all right to say drink me but al ice was too wise to do that in haste no i ll look first she said and see if it s marked poi son or not for she had been taught if you drink much from a bot tle marked poi son it is sure to make you sick this had no such mark on it so she dared to taste it and as she found it nice it had in fact a taste of pie ice cream roast fowl and hot toast she soon drank it off al ice
