every teacher every student of history every citizen should read this
book it is both a refreshing antidote to what has passed for history
in our educational system and a one volume education in itself howard
zinn a new edition of the national bestseller and american book award
winner with a new preface by the author since its first publication in
1995 lies my teacher told me has become one of the most important and
successful history books of our time having sold nearly two million
copies the book also won an american book award and the oliver
cromwell cox award for distinguished anti racist scholarship and was
heralded on the front page of the new york times for this new edition
loewen has added a new preface that shows how inadequate history
courses in high school help produce adult americans who think donald
trump can solve their problems and calls out academic historians for
abandoning the concept of truth in a misguided effort to be objective
what started out as a survey of the twelve leading american history
textbooks has ended up being what the san francisco chronicle calls an
extremely convincing plea for truth in education in lies my teacher
told me james w loewen brings history alive in all its complexity and
ambiguity beginning with pre columbian history and ranging over
characters and events as diverse as reconstruction helen keller the
first thanksgiving the my lai massacre 9 11 and the iraq war loewen
offers an eye opening critique of existing textbooks and a wonderful
retelling of american history as it should and could be taught to
american students
