a primary resource introducing missions for the passionate follower of christ

this bestselling textbook by leading missionary scholars offers an engaging introduction to the work of missions in the contemporary world it provides a broad overview of the

biblical theological and historical foundations for missions it also considers personal and practical issues involved in becoming a missionary the process of getting to the mission field and contemporary challenges a mission worker must face sidebars charts maps and numerous case studies are included this new edition has been updated and revised throughout and features a full color interior additional resources for professors and students are available online through baker academic s textbook esources

missions is the work of the church to reach and teach the peoples of the world for christ s sake the missionary call is a vital part of the life of every follower of jesus christ and therefore the church but the effective discipleship of all nations requires a solid biblical historical and practical foundation therefore the study of missiology demands the effective application of biblical studies theology and history this text brings the rich heritage of evangelical missiology founded on conservative theology to a twenty first century audience passionate for the proclamation of the gospel introduction to global missions brings the authors decades of combined missionary and teaching experience to a survey text appropriate for college or seminary classroom the book is divided into four sections and thirteen chapters the text begins with the biblical and theological foundations of christian missions including a biblical theology of missions before moving to the practical and strategic issues of twenty first century missions the authors consider the historical development of missions with a view toward providing a basis for contemporary strategies a final foundational set of chapters addresses the impact of cultures on the communication of the gospel the remainder of the text deals with key issues and opportunities in missions including church planting missions in the local church and strategies for disciple making introduction to global missions provides a foundation for readers to consider their own missionary call whether as a full time field missionary or a church member on short term projects no matter their role great commission christians need a framework for doing missions well

river of god is an introduction to world missions aimed at undergraduate students however the readers will soon discover that the book is rich in its content far beyond the editors original plan it serves as a reader for people with various levels of missiological interest and competence and deals with cutting edge issues in missions this book introduces a new paradigm kingdom missiology which builds on shalom in the old testament and as jesus applied to the kingdom of god in the new testament the first half of the book looks at kingdom missiology from the biblical historical and cultural dimensions the second half of the book describes helpful strategies in the implementation of this paradigm the importance of urban ministry is woven throughout the book

the evangelical dictionary of world missions contains more than 1 400 articles on the theory practice theology and history of missions a comprehensive one volume reference it not only provides a wealth of information on the topic of world missions it also offers a contemporary study of the subject from an evangelical perspective over three hundred missionaries theologians and educators from a variety of cultural denominational and ethnic backgrounds contribute their expertise to provide a broad survey of the history of world missions as well as current trends and research the evangelical dictionary of world missions a christianity today 2001 book award winner is a valuable research tool for professors and students in their study of world missions it is also a readily accessible resource for clergy and lay persons interested in the history of world missions and its continuing progress publisher

the world continues to globalize and urbanize at a rapid pace technology and social media have transformed how people interact despite recent advances and innovations countless people groups across the globe still lack access to the gospel of jesus christ how should the church mobilize to reach the world now more than ever before christians need to be aware of the changing landscape before us missions expert david sills shares this one stop shop of key global challenges confronting christian mission in the twenty first century in ten topical chapters he identifies ways practitioners can be faithful to god s call help without hurting reach oral learners conduct short term missions responsibly engage in business as mission strategically and much more while the world is fluid god s mission endures discover anew how the eternal gospel can make its way to every tribe and nation

this volume comprises an excellent introductory survey of christian missions from a d 30 to the twentieth century

the christian movement is entering a new postcolonial era with centers of the faith on all continents american christians have often felt uniquely qualified to lead this growing movement because of a long history of sending missionaries and funding mission projects yet something is hampering the relationship between western and non western churches preventing the dynamic synergism that christians might expect roots and remedies of the dependency syndrome in world missions robert reese identifies this hindrance as the dependency syndrome a relic of colonial mission methods with three decades of

experience in zimbabwe reese explains the roots of dependency and how this continues to cloud the vision of many well meaning western christians he documents the tragic results of relying too much on foreign ideas institutions personnel and funding that sideline non western churches from fulfilling the great commission reese addresses remedies for dependency examining healthy mission models tried and tested since the days of the apostle paul from issues that arise from globalization to best mission practices in the twenty first century roots and remedies aims to achieve what most christians are seeking but find elusive how all parts of the diverse body of christ around the world can cooperate productively to bring christ where he is not now known without creating dependency

comprehensive treatment of the biblical foundation and unique purpose of global missions

what if your greatest calling lies not within your comfort zone but among cultures languages and people you ve never met millions perish without ever hearing the name of jesus not because they rejected him but because no one ever told them the time to remain silent is over you were born for more you were called for this in an increasingly globalized world filled with cultural barriers religious pluralism and spiritual darkness the church is at a critical crossroads many believers feel the tug of the great commission but are unsure how to respond how do you effectively share christ in a culture not your own how do you honor local customs while boldly proclaiming the truth introduction to world missions and cross cultural evangelism addresses these questions and more equipping you with biblical theological and practical insights into global missions and evangelism this book will transform how you see the world and your role in it whether you re a student pastor missionary or everyday believer with a heart for the nations you ll learn the biblical and theological foundation for global missions how to communicate the gospel effectively across cultural barriers proven strategies and models used by missionaries around the world how to navigate language culture worldviews and religious diversity practical steps to prepare for short or long term mission work packed with real world examples historical depth and cross cultural sensitivity this guide is a powerful tool for anyone serious about obeying the great commission it doesn t just inform it ignites you won t walk away the same don t just talk about missions step into your divine mandate introduction to world missions and cross cultural evangelism is your handbook for global impact get your copy now and begin your journey into the heart of god s mission for the world

back by popular demand this work was originally three volumes in length but is now reprinted as a single volume this manual integrates essential and relevant articles from

perspectives on the world christian movement reader and the perspectives study guide leading the student into deeper broader mission understanding and vision by covering the biblical historical foundations the strategic dimensions and cross cultural considerations

back by popular demand this three volume work is now reprinted as a single volume this manual leads the student into a deeper broader mission understanding and vision by covering the biblical historical foundations the strategic dimensions and cross cultural considerations

the dramatic changes that have taken place both in global society and in the church have implications for how the church does missions in the twenty first century these trends include the rise of postmodernism the spiritual decline in the west and the advance of the gospel in the rest of the world and the impact of technology on society and missions the changing face of world missions is for the mission minded church leader or lay person who wants to understand these trends each chapter identifies and evaluates a trend examines it in light of scripture and proposes a practical response important terms are defined and sidebars help readers think through the issues on their own

what does the changing face of missions look like what challenges will appear in the years to come a number of key missionaries mission agency leaders seminary professors and pastors present insightful presentations of missions past and present seeking to revitalize the future of world evangelism

world missions needs a fully biblical ethos this is the contention of the editors of and contributors to world mission a series of essays aimed at reforming popular approaches to missions in the first set of essays contributors develop a biblical theology of world missions from both the old and new testaments arguing that the theology of each must stand in the foreground of missions not recede into the background in the second they unfold the great commission in sequence detailing how it determines the biblical strategy of all mission enterprises finally they treat current issues in world missions from the perspective of the sufficiency of scripture altogether this book aims to reform missions to be thoroughly □ not just foundationally □ biblical a needed correction even among the sincerest missionaries

venture into the world of overseas missions from an african american perspective this collection of articles takes you deep into the history of missions in the african american community you will learn of the struggles to stay connected to the world of missions in spite of great obstacles you will read of unique cultural experiences while traveling abroad

you will feel the heart for fulfilling the great commission both in the african american community and beyond all text remains the same in this revised edition with the exception of new study guide questions at the close of each chapter the questions can be used to help facilitate discussions in sunday school bible study seminary classes conference workshops and other group or individual studies
