based on appealing magical characters this new revision guide captures pupils imaginations and motivates them to prepare for their ks1 english sats it is specifically aimed at pupils working towards level 2

the ability to communicate is an essential life skill for all children and young people and it underpins

their social emotional and educational development if a child experiences a positive relationship with an adult listening carefully they are more likely to constructively share their thoughts feelings and their imaginative ideas that's my story places children's imagined stories at the heart of their own development and provides a joyful creative approach to support young children's personal and social development and to encourage their communication in this book you will find tried and tested drama games and activities that support communication and well being all adaptable to complement your current practice guidance and advice on how to promote positive adult child interactions examples of creative interventions that support children's communication development a celebration of the joy that comes with carefully listening to children's own imagined stories those of us who work with children can sense a tangible connection between how young children feel and how they communicate this essential and practical resource will be valuable reading for primary teachers teaching assistants speech and language therapists and drama practitioners as well as outreach and education departments of theatre companies and other arts organisations

the debate over whether class size matters for teaching and learning is one of the most enduring and aggressive in education research teachers often insist that small classes benefit their work but many experts argue that evidence from research shows class size has little impact on pupil outcomes so does not matter and this dominant view has informed policymaking internationally here the lead researchers on the world's biggest study into class size effects present a counter argument through detailed analysis of the complex relations involved in the classroom they reveal the mechanisms that support teachers experience and conclude that class size matters very much indeed drawing on 20 years of systematic classroom observations surveys of practitioners detailed case studies and extensive reviews of research peter blatchford and anthony russell contend that common ways of researching the impact of class size are limited and sometimes misguided while class size may have no direct effect on pupil outcomes it has they say significant force through interconnections with classroom processes in describing these connections the book opens up the everyday world of the classroom and shows that the influence of class size is everywhere it impacts on teaching grouping practices and classroom management the quality of peer relations tasks given to pupils and on the time teachers have for marking assessments and understanding the strengths and challenges for individual pupils from their analysis the authors develop a new social pedagogical model of how class size influences work and identify policy conclusions and implications for teachers and schools

in environmental learning for classroom and assembly at ks1 ks2 the highly successful and popular author mal leicester teams up with the conservationist denise taylor to teach children about wildlife and environmental conservation through the art of storytelling reflecting the child's world the book works outwards from home to garden to neighbourhood to the countryside and seaside and to the planet as a whole at each level appreciating conserving and enhancing our environment is considered the authors follow the tried and tested format of stories for classroom and assembly and stories for circle time and assemblies each of the ten chapters includes an original themed story and is packed with lesson plans and cross curriculum learning activities designed to save teachers valuable time leicester and taylor combine the wonder of storytelling with topical environmental issues covering plants creatures and the planet the book covers the full range of conservation protection and

enhancement themes concepts and values whilst developing the following skills literacy including oracy numeracy knowledge of the natural world imaginative development creative expression making a highly topical and on going subject accessible to children this beautifully illustrated resource offers teachers assembly ideas lesson plans and art activities all in one book

part of the national curriculum outdoors series aimed at improving outside the classroom learning for children from year 1 to year 6 teaching outside the classroom improves pupils engagement with learning as well as their health and wellbeing but how can teachers link curriculum objectives effectively with enjoyable and motivating outdoor learning in key stage 1 the national curriculum outdoors ks1 presents a series of photocopiable lesson plans that address each primary curriculum subject whilst enriching pupils with the benefits of learning in the natural environment outdoor learning experts sue waite michelle roberts and deborah lambert provide inspiration for primary teachers to use outdoor contexts as part of their everyday teaching and showcase how headteachers can embed curriculum teaching outside throughout the school whilst protecting teaching time and maintaining high quality teaching and performance standards all of the key stage 1 curriculum lessons have been tried and tested successfully in schools and can be adapted and developed for school grounds and local natural environments what s more each scheme of work in this all encompassing handbook includes primary curriculum objectives intended learning outcomes warm up and main activities plenary guidance natural connections ict and pshe links and word banks please note that the pdf ebook version of this book cannot be printed or saved in any other format it is intended for use on interactive whiteboards and projectors only

this literacy programme for juniors offers fiction poetry and non fiction reading and writing materials for shared guided and group reading and writing and teaching materials comets should capture the imagination of more able pupils and software integrates ict with literacy teaching

are there developmental stages in reading response can these be promoted or accelerated by classroom experience the debate about standards in reading has largely ignored such questions and focused on the methods used to introduce children to print in the early years of school less attention has been given to ways of nurturing the habit once the first stages are past elaine millard explores how assumptions about what is pleasurable in reading set an agenda for the middle years which ignores crucial differences in children s reading habits particularly those related to gender she argues that the more advanced reading skills of analysis evaluation and critical response can be introduced to children at this stage but that they require the support of a classroom context that encourages cooperation and which builds on shared habits of reading book jacket title summary field provided by blackwell north america inc all rights reserved

there s plenty to do when planning the curriculum in primary schools if it feels daunting then one of the most helpful things is to talk to other people about how they have developed the curriculum for their particular subject or key stage this is what john tomsett and mary myatt have done after the secondary huh curriculum conversations between subject and senior leaders was published they were flooded with requests to produce a primary version they enlisted the help of renowned primary specialists rachel higginson lekha sharma and emma turner to have conversations with primary teachers and key stage co ordinators who are doing great curriculum development work each chapter provides insights into the importance of individual subjects and the unique contribution each makes to pupils cognitive and personal development the subject chapters discuss the steps colleagues take to ensure that there is a coherent thread across the year groups as the discrete subjects deliver collectively the primary curriculum these conversations show how the craft of creating a rich challenging curriculum for every subject is not a quick fix this is a nuanced piece of work and there are many ways of approaching it each chapter also contains links to subject associations and helpful resources primary huh has been written for subject leaders and key stage co ordinators it has also

been written for senior leaders as they prepare to have supportive conversations with their colleagues who are responsible for curriculum development primary huh is offered as a prompt rather than the last word informed debate is as they say the fuel of curriculum development and why have john and mary called it huh well john discovered that huh is the egyptian god of endlessness creativity fertility and regeneration and they thought that was a pretty good metaphor for their work on the curriculum

this book contains clear chapter objectives suggestions for further reading on each topic and a glossary explaining key terms that the new or trainee teacher will need to understand the authors have all taught english in the primary setting are experienced teacher trainers and respected practitioners in their own specialist fields

education is a values based experience consciously or not we are highly attuned to one another s values we see time and again that the best schools are compelled and propelled by strong values which inspire and guide the creation of a meaningful context for learning and an aspirational ethos however values can often be submerged overlooked or ignored by infusing our teaching with values both explicit and implicit learning can serve a greater purpose nourishing us as humans and deepening our experience drawing on the views and inspired teaching practice of a range of contributors this book offers both the theoretical underpinning and practical examples to bring values to life in the classroom it shows how each subject has a unique and valuable role and how a values based culture generates a powerful climate for successful learning in every subject discipline it is a bedside book that will bring joy and practical support to the many professionals who work from the heart and wish to touch the future it offers validation to those teachers who deeply care about the subject disciplines they teach ultimately making a difference to children their lives and their world in our current educational context this work is unashamedly people orientated futures thinking and forward facing

first published in 2005 routledge is an imprint of taylor francis an informa company

understanding assessment and being able to use it effectively is at the heart of successful primary teaching aware of current policy and research this book looks at the role and purpose of assessment within education as well as providing detailed practical guidance on the main types of classroom assessment including formative summative formal and informal methods real classroom examples and activities illustrate the practical uses benefits and limitations of each form of assessment enabling you to feel confident about implementing these strategies in your own teaching coverage includes the assessment planning cycle innovative forms of assessment including portfolios debates role play and mind mapping assessment of learners with diverse needs including sen and eal the use of technology in assessment engaging children through self assessment and peer assessment this is essential reading for all primary initial teacher education courses including university based pgce pgde ba qts bed school based scitt school direct teach first and employment based routes into teaching and beginning teachers sue faragher is head of al basma british school a large private school in abu dhabi

as the number of children for whom english is an additional language in schools increases how do

teachers and trainees prepare to support them to succeed a complete guide to understanding learning from and teaching bilingual and eal children in schools the text begins by asking who are eal learners and challenges some of the misconceptions about this group it goes on to examine language in depth providing focused theory to help teachers and trainees better understand the wider context of children s needs this theory is supported by a wealth of information on practical teaching strategies and resources in the promoting learning section the text covers planning across the curriculum for eal and offers day to day practical support for teachers the fourth edition is updated throughout and includes a new chapter on eal and send

this practical and focused book draws on the author s own research project in order to identify good practice in promoting reading for enjoyment it presents specific activities which teachers can use to develop their own whole school and classroom practice enabling them to put the fun back into reading each chapter features case study material and provides examples of planning from schools that have successfully created thriving reading cultures through schemes such as reading assemblies book clubs library loyalty cards school book evenings and quizzes there is also an extensive annotated list of print and internet based resources topics covered include becoming a reading for pleasure school promoting a love of reading in the early years developing reading enjoyment in the later primary years getting boys reading promoting reading for pleasure in the primary school is written for all those involved in education who would like to see as many children as possible develop a love of reading it will be particularly relevant for pre service and in service k 8 teachers teaching assistants advisers and consultants and teacher educators and researchers

first published in 2001 the purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of english despite the emphasis given in training courses to the teaching of english newly qualified teachers often feel underprepared for it and frequently mention their concerns about this these concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy it is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice

now in an updated third edition this best selling textbook introduces primary teachers to the key issues in how to teach reading the authors celebrate reading as an important exhilarating part of the curriculum with the potential to transform lives whilst also giving a balanced handling of contentious issues strongly rooted in classroom practi
