the blackwell guide to plato s republic consists of thirteen new essays written by both established scholars and younger researchers with the specific aim of helping readers to understand plato s masterwork this guide to plato s republic is designed to help readers understand this foundational work of the western canon sheds new light on many central features and themes of the republic covers the literary and philosophical style of the republic plato s theories of justice and knowledge his educational theories and his treatment of the divine will be of interest to readers who are new to the republic and those who already have some familiarity with the book

plato mathematician philosopher and founder of the academy in athens is together with his teacher socrates and his student aristotle universally considered to have laid the foundations of western philosophy the bloomsbury companion to plato provides a comprehensive and accessible study guide to plato s thought written by a team of leading experts in the field of

ancient philosophy this companion covers five major areas plato's life and his historical philosophical and literary context synopses of all the dialogues attributed to plato the most important features of the dialogues the key themes and topics apparent in the dialogues plato's enduring influence and the various interpretative approaches applied to his thought throughout the history of philosophy covering every aspect of plato's thought in over 140 entries the bloomsbury companion to plato is an engaging introduction to plato and an essential resource for anyone working in the field of ancient philosophy

plato often cited as a founding father of western philosophy set out ideas in the republic regarding the nature of justice order and the character of the just individual that endure into the modern day the routledge guidebook to plato's republic introduces the major themes in plato's great book and acts as a companion for reading the work examining the context of plato's work and the background to his writing each separate part of the text in relation to its goals meanings and impact the reception the book received when first seen by the world the relevance of plato's work to modern philosophy its legacy and influence with further reading included throughout this text follows plato's original work closely making it essential reading for all students of philosophy and all those wishing to get to grips with this classic work

this companion provides a comprehensive account of this outstanding work which remains among the most frequently read works of greek philosophy indeed of classical antiquity in general the sixteen essays by authors who represent various academic disciplines bring a spectrum of interpretive approaches to bear in order to aid the understanding of a wide ranging audience from first time readers of the republic who require guidance to more experienced readers who wish to explore contemporary currents in the work's interpretation the three initial chapters address aspects of the work as a whole they are followed by essays that match closely the sequence in which topics are presented in the ten books of the republic since the republic returns frequently to the same topics by different routes so do the authors of this volume who provide the readers with divergent yet complementary perspectives by which to appreciate the republic's principal concerns

this book meets the need to revise the standard interpretations of an apparently aporetic dialogue full of eloquent silences and tricky suggestions as it explores among many other topics the dramatis personae including plato's self references behind the scene and the role of socrates on stage the question of method and refutation and the way dialectics plays a part in the dialogue more specifically it contains a set of papers devoted to perception and plato's criticism of heraclitus and protagoras a section deals with the problem of the relation between knowledge and thinking including the aviary model and the possibility of error it also emphasizes some positive contributions to the classical platonic doctrines and his philosophy of education the reception of the dialogue in antiquity and the medieval age closes the analysis representing different hermeneutical traditions prestigious scholars engage with these issues in divergent ways as they shed new light on a complex controversial work

studies plato's republic and other dialogues

we are now so familiar and accepting of the state's pre-eminence in all things that few think to question it and most suppose that democratic endorsement legitimizes it the aim of this book is to present a compelling argument against both presumptions
